Uhh

Early
morning
blood sugar
tests...

pop

and
daily insulin
injections
until
the day
I die

An
incurable
disease...

what a pain.

Why did a young 12 years old boy
like me have to get a disease
like type I diabetes mellitus.

zap

More

frizzle

Your
panties
are in
full view,
Kon.

More
importantly,
please close
my zipper.

Kai!

Kai

Wait,
let me
record this,
Saki.

clatter
clatter

Make some
coffee and
pass me
your lunch
box!

About
Thursday's
medical exam.

I'm sorry,
but can
you go to
the hospital
by yourself?

I've gotten
many
bookings
at my salon.

to Dr.
Yatsuhashi!

Don't
be
rude

Don't
worry
and go earn
that money!

Er?

OK, Mum.
I'm not
a little boy
any more.

I can't just passively sit here being sick.

Dummy!

Who knows when a frail guy like that

will disappear!

it is my mission to take care of my family.

With my father's passing,

He is a great doctor

Geez...

He is like a gentle prince.

who came all the way from Tokyo to as remote an island as ours!

Hey Kai!

I will live up my baseball team:

And

Hey! Yot-tsun, Sobecchi!

the Nakanoshima Twinkles!

Ah, that's right.

I've heard that the Momochi Sea Dragons

We went for a reconnaissance yesterday by taking a ship to the next island.

have a powerful batting line-up for tomorrow's Marinos cup.

Even though all of us have small postures...

We were even beat up in the rest room...

He's treating us as equals

We saw that there were many big guys that look like high school students...

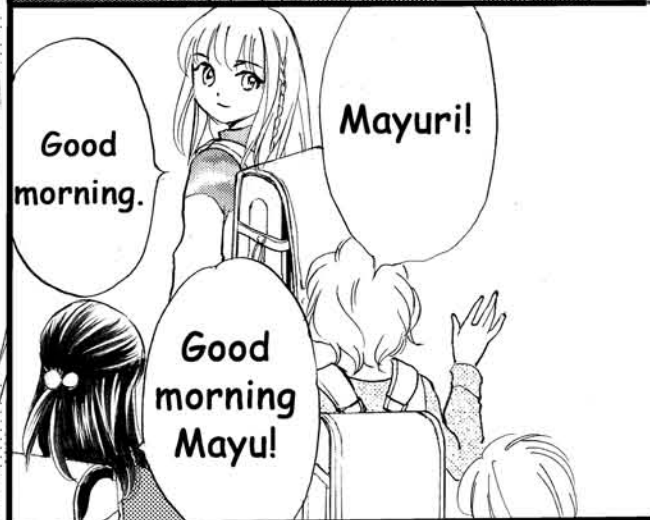

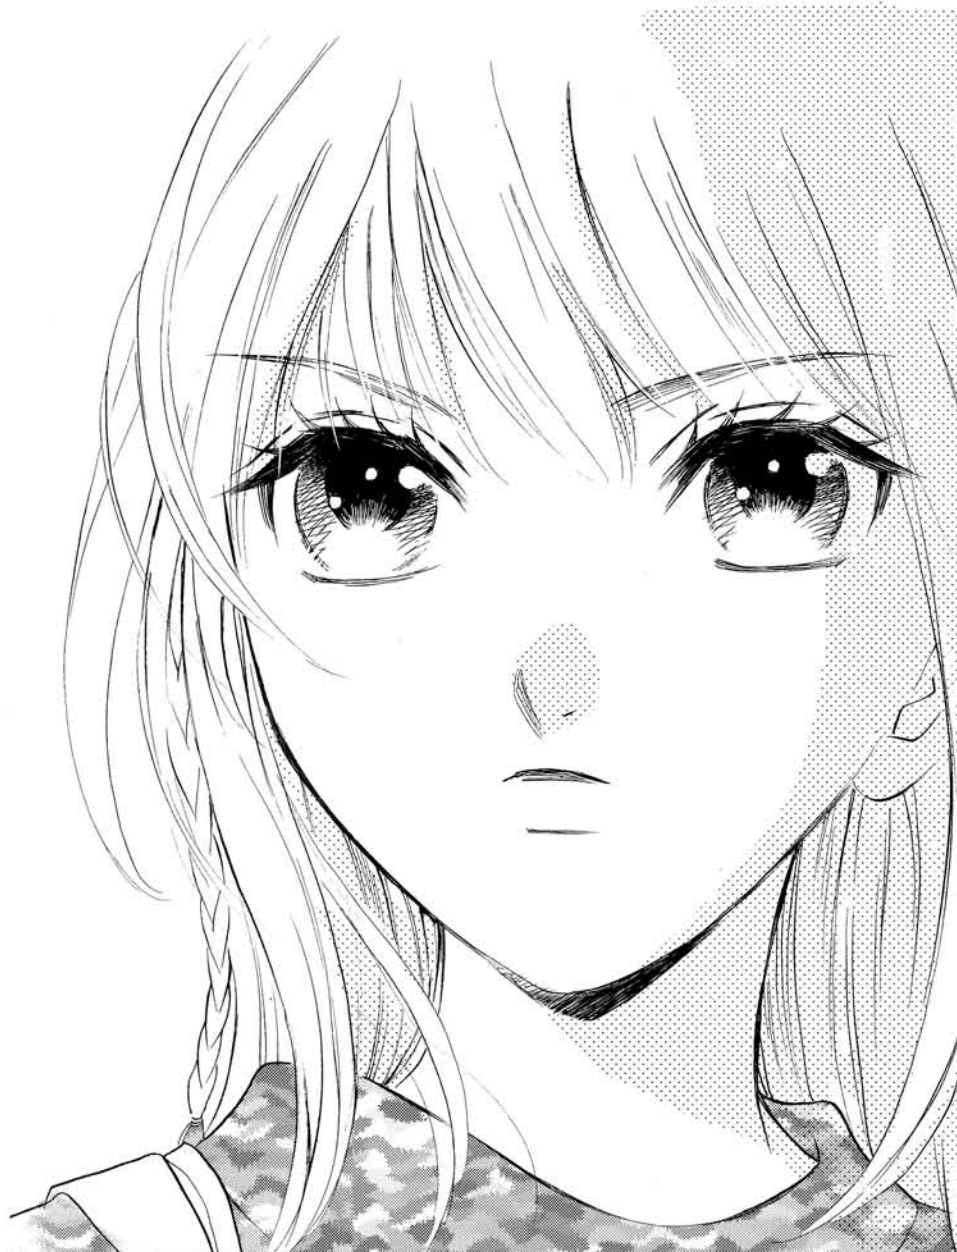

Is there no way you could do it?

Ah, I can't be a pitcher!

If only you would pitch, Kai, we would be able to win!

There you go again!

roar

Here we go!

Everyone go forward!

Take any ball!

Let's support them!

Yes!

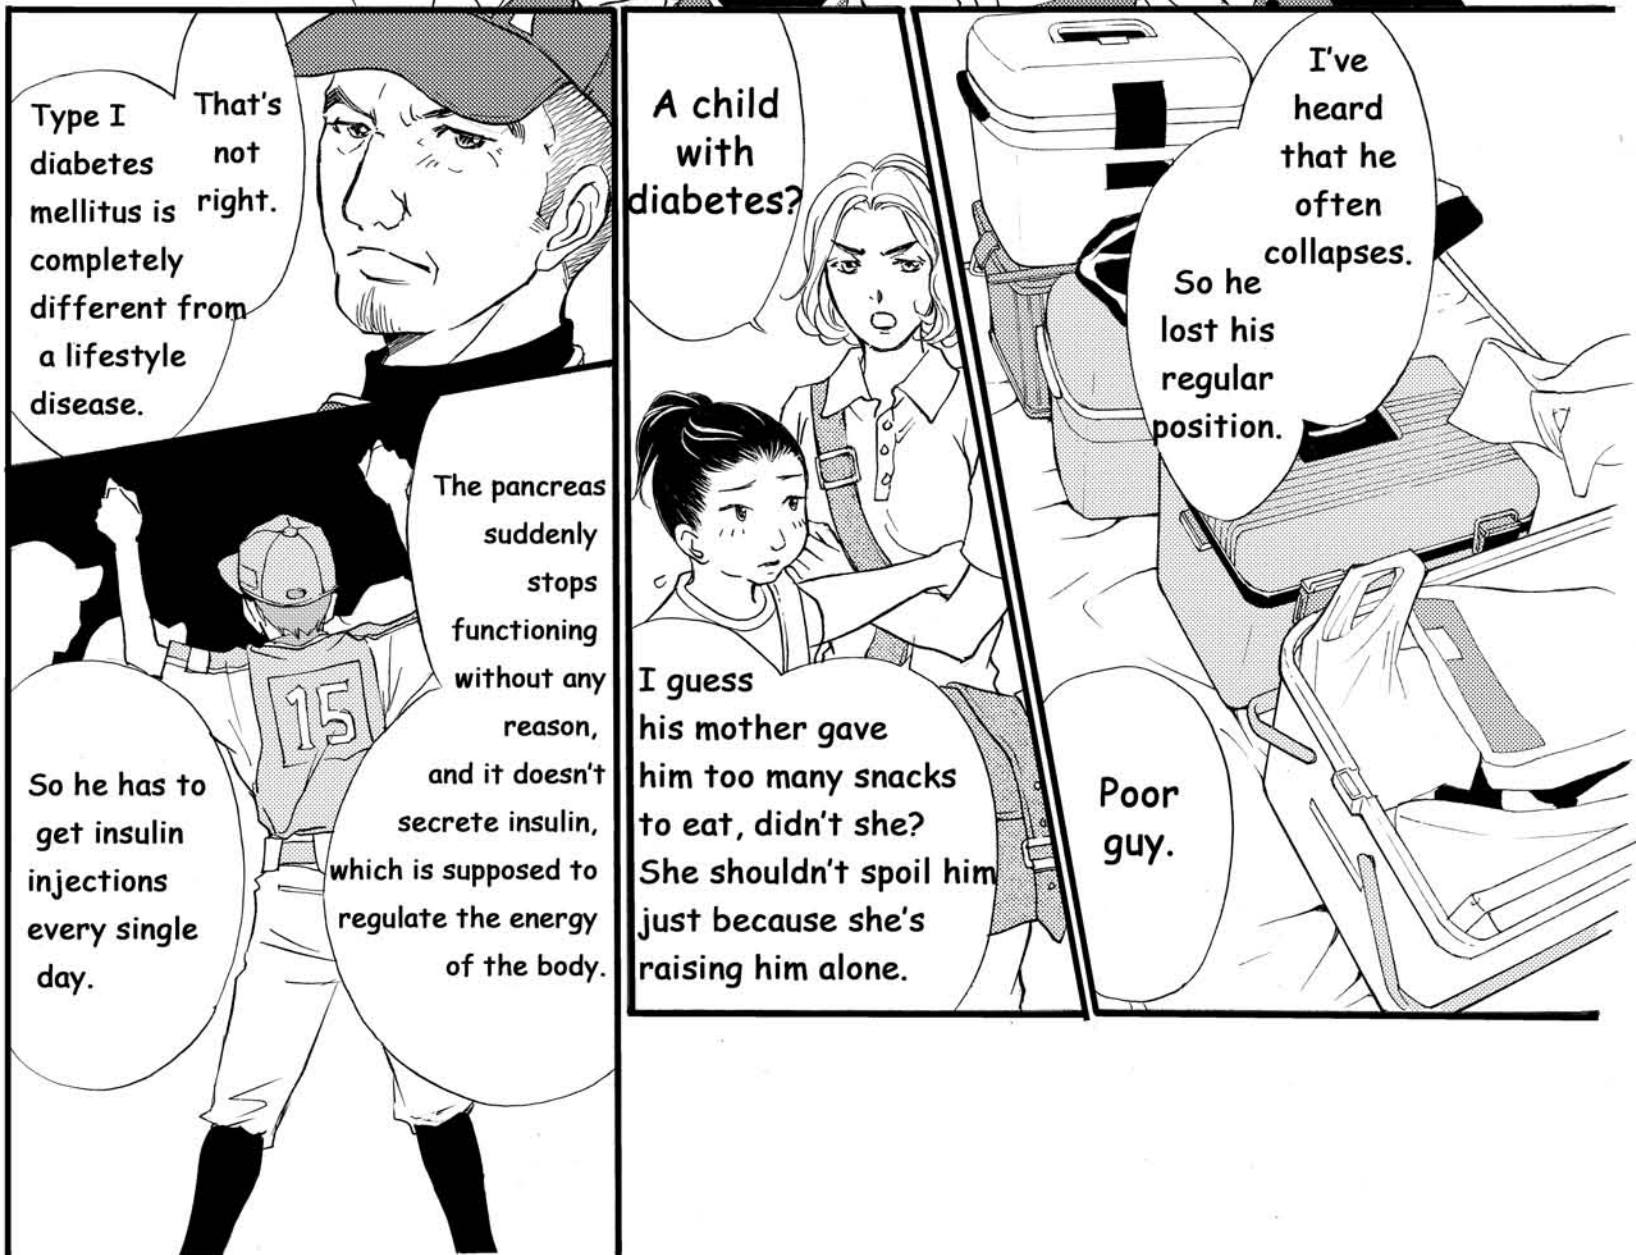

Yot-tsun can't move.

wow

Mayu is so cool!

She's such an amazing female catcher and leader!

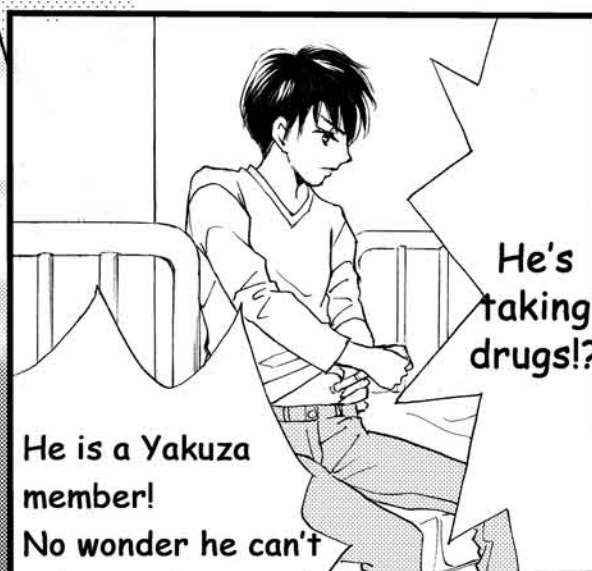

Yes!
Change!

He
has been
getting
injections

What!?
That's
crazy!

before
his lunches
at the school
infirmary.

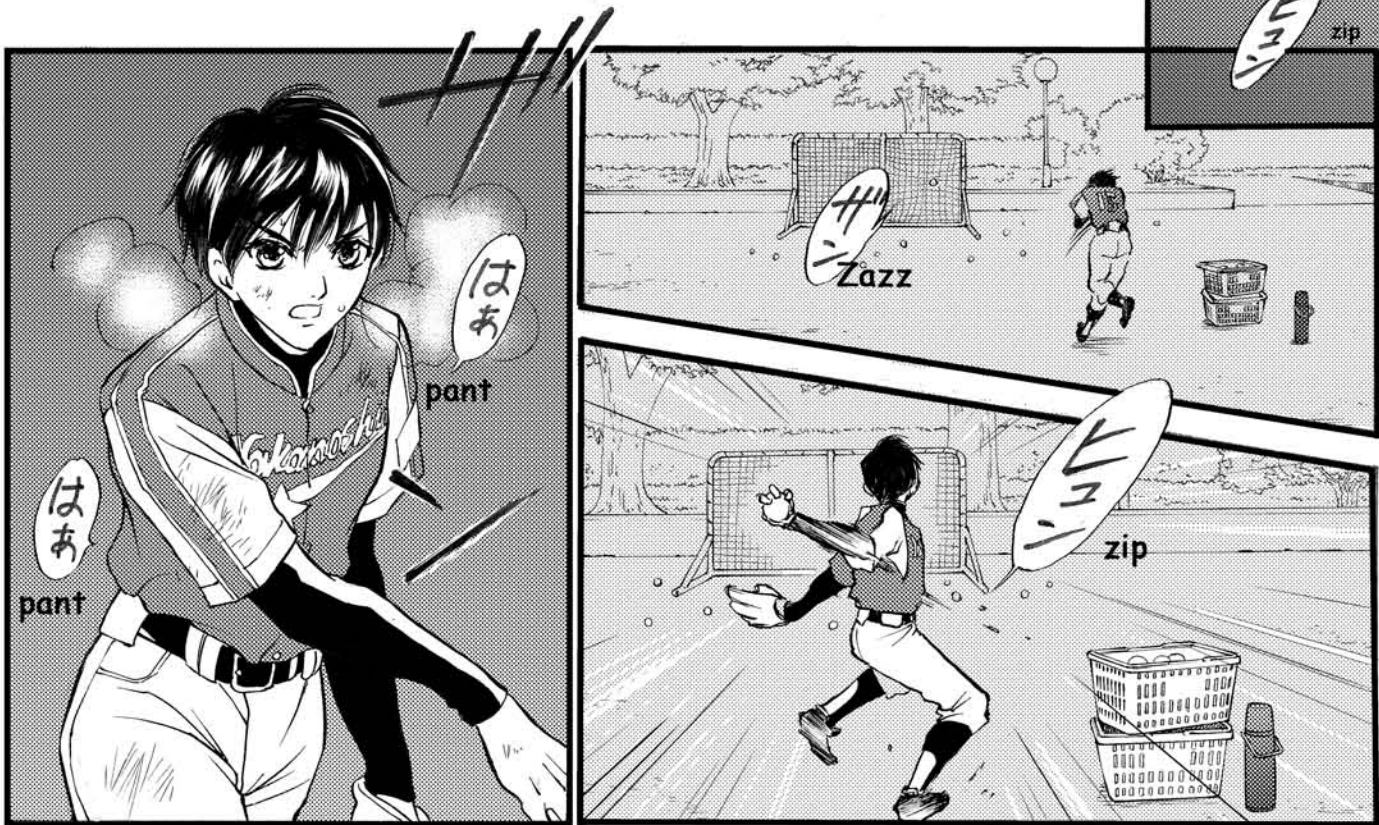

He's
taking
drugs!?

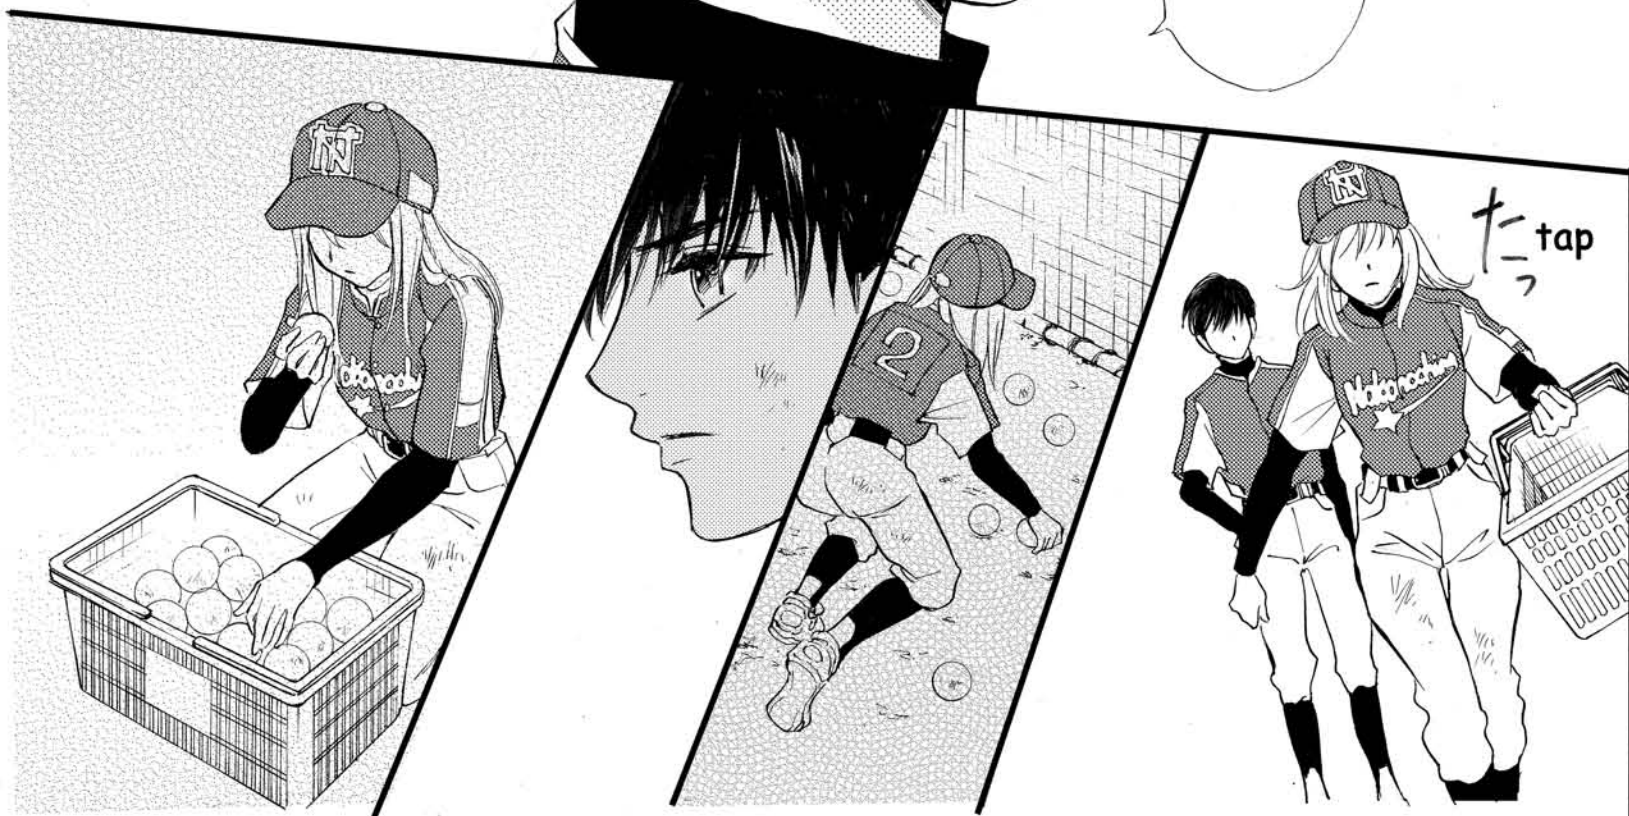

He is a Yakuza
member!
No wonder he can't
take part in games!

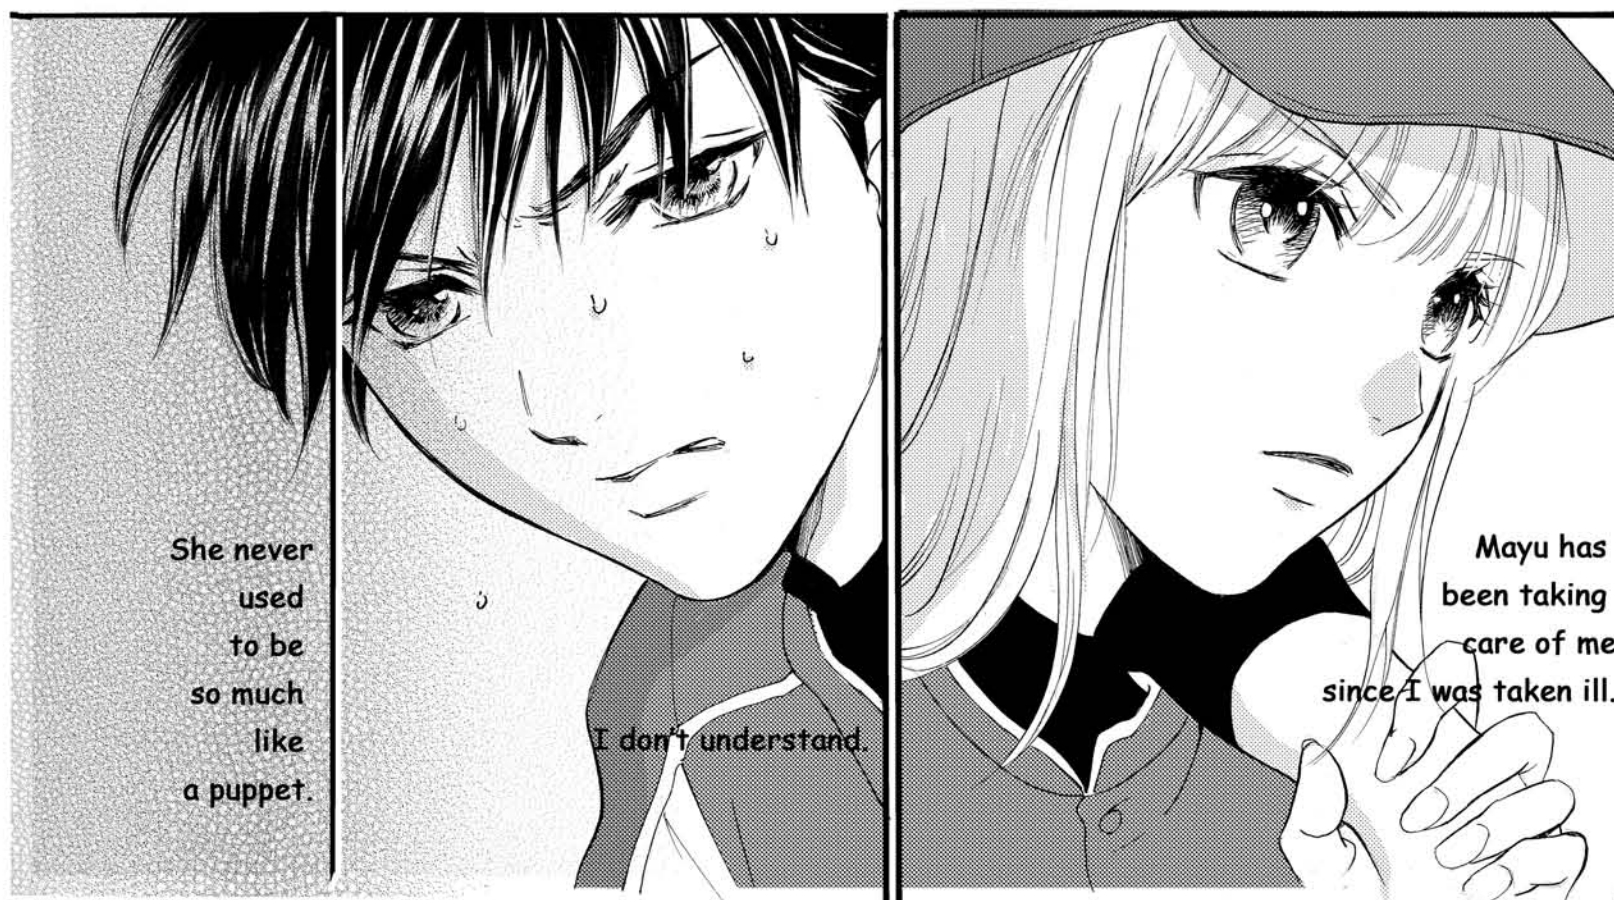

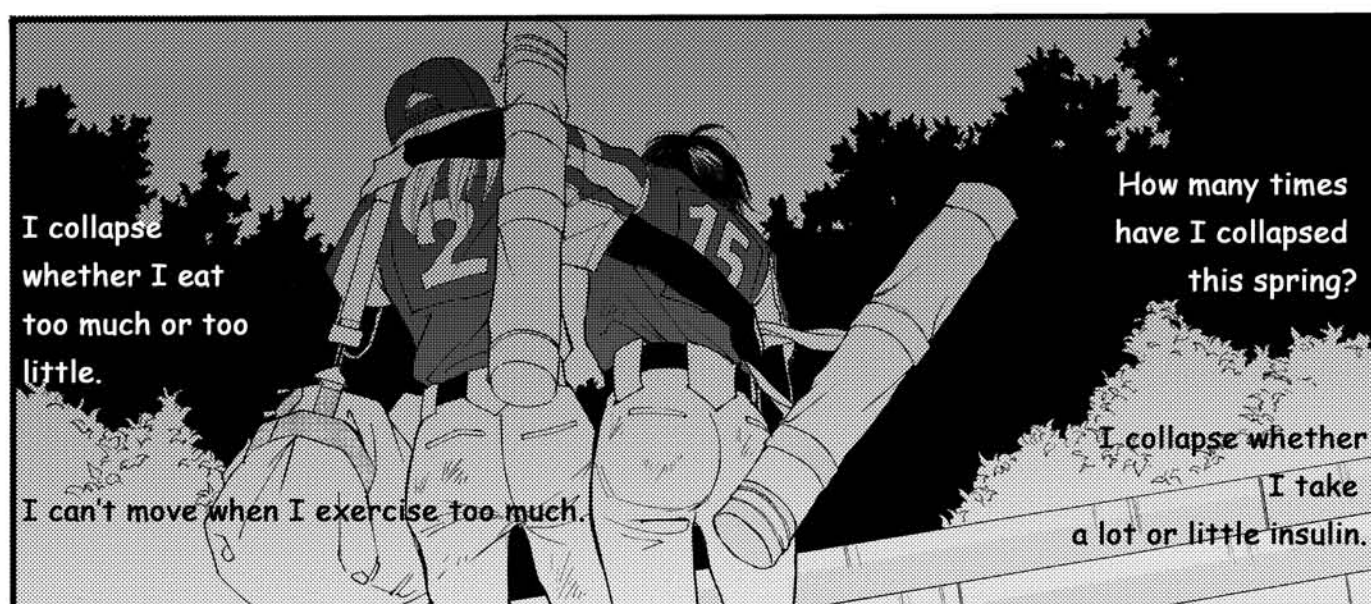

arrggg coach!

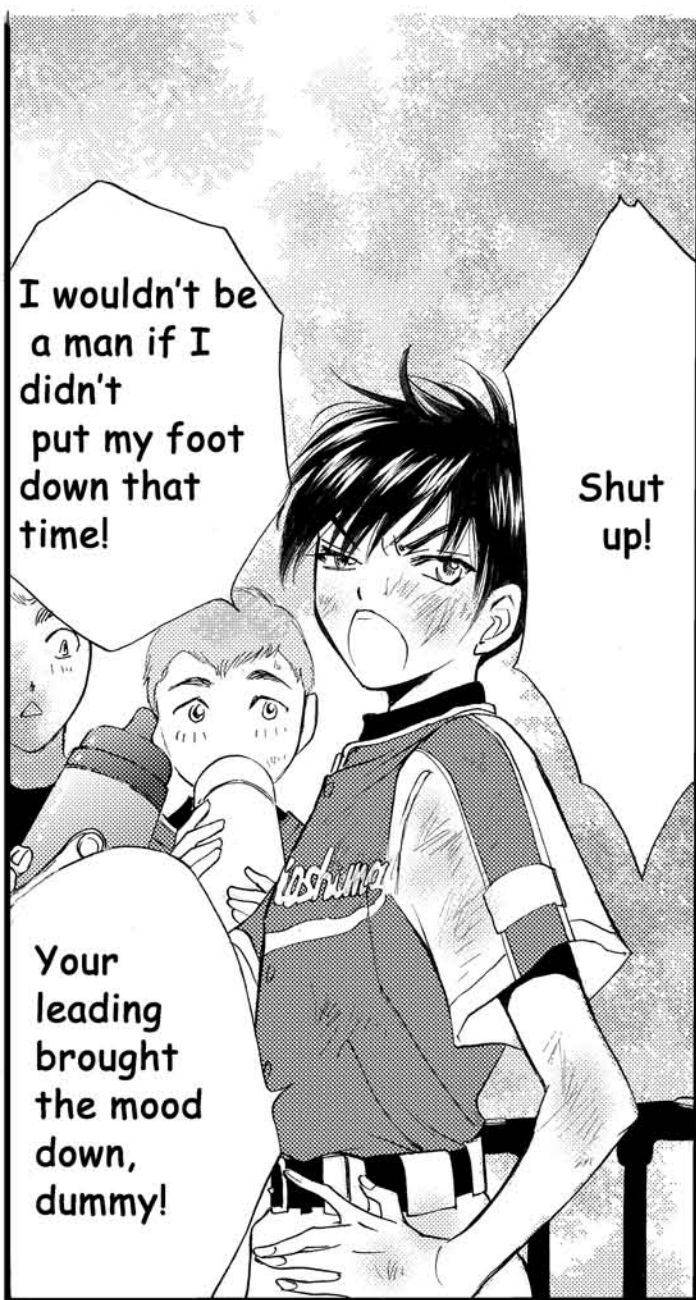

Shut up!

I wouldn't be a man if I didn't put my foot down that time!

Shut up!

Your leading brought the mood down, dummy!

You bungling pitcher!

We nearly lost in the bottom of the ninth inning when you ignored my sign.

What!?! Dog? What type of creature?

You kicked me, you dog!

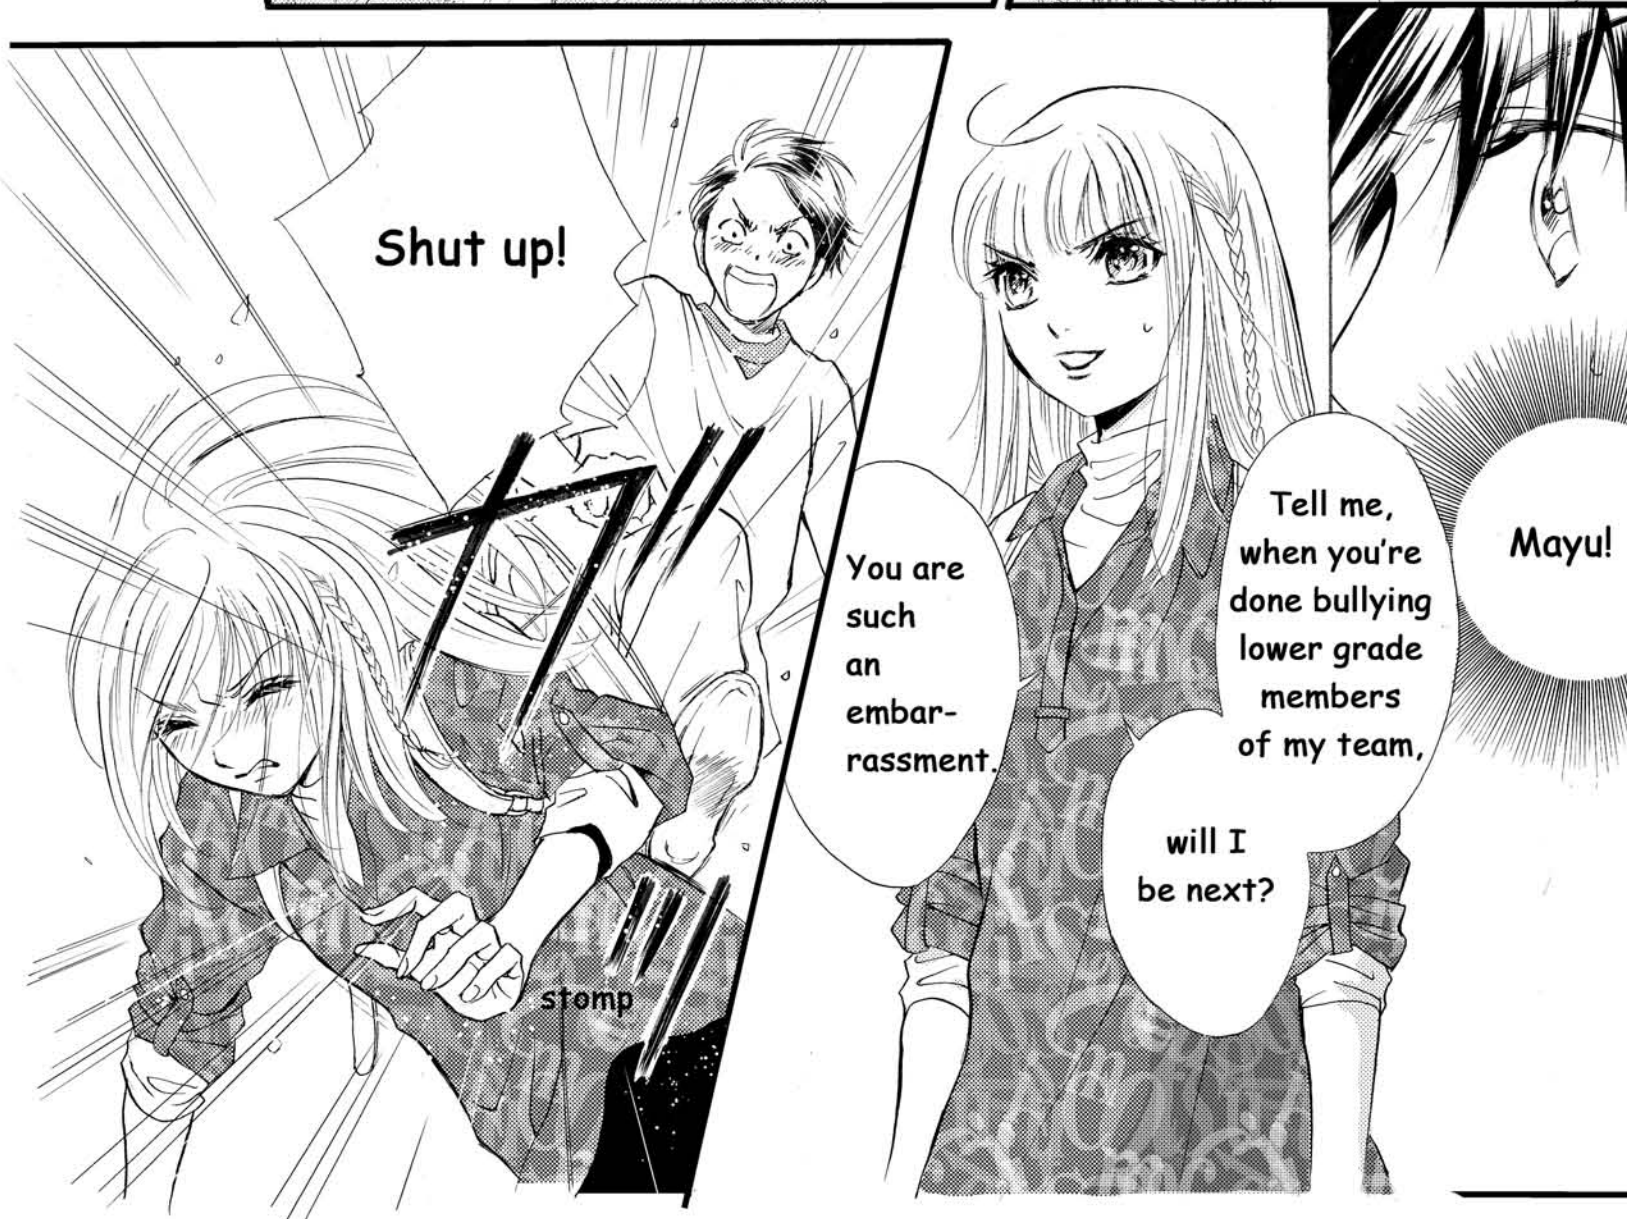

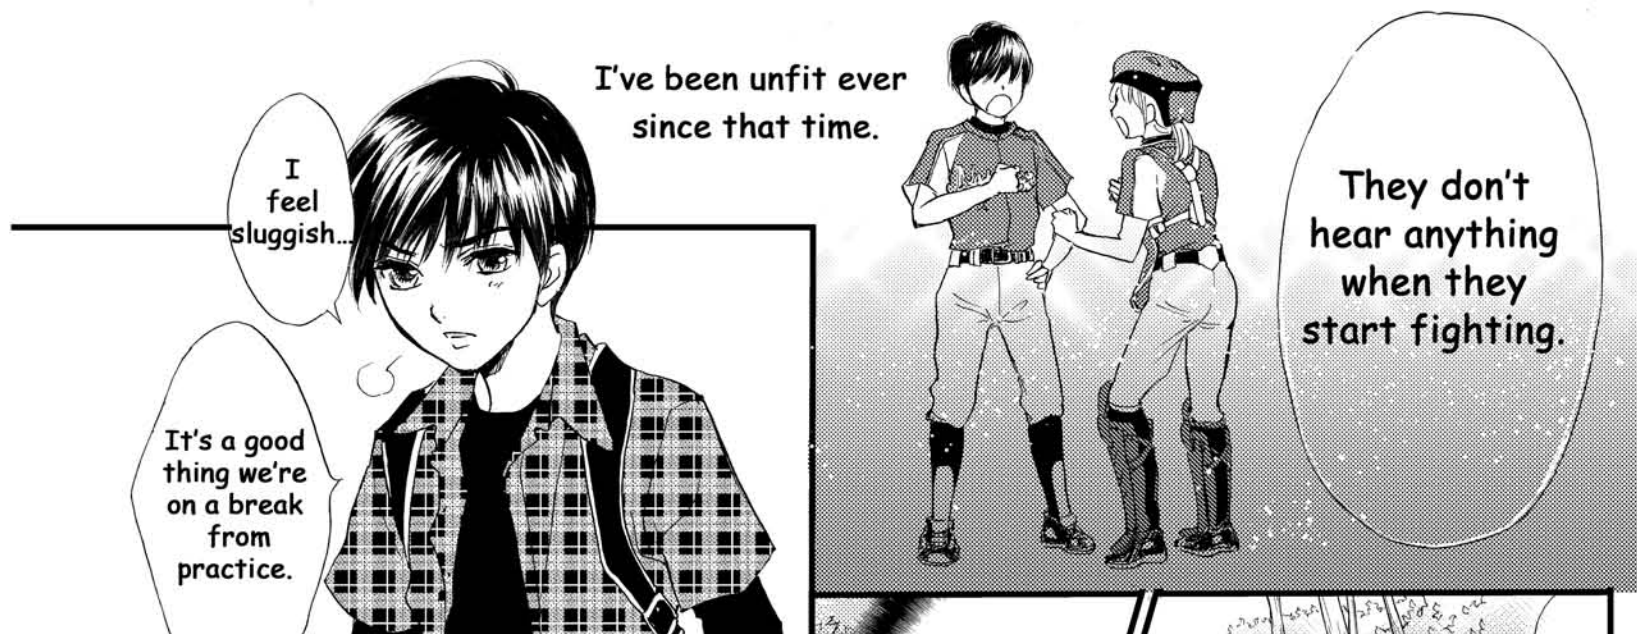

kick

Coach!

You guys are a battery.

You should support and help each other.

Come speak to me after you fix that quirky right foot that opens every time you take a step.

I wanted to strangle them.

But I'm not feeling well today.

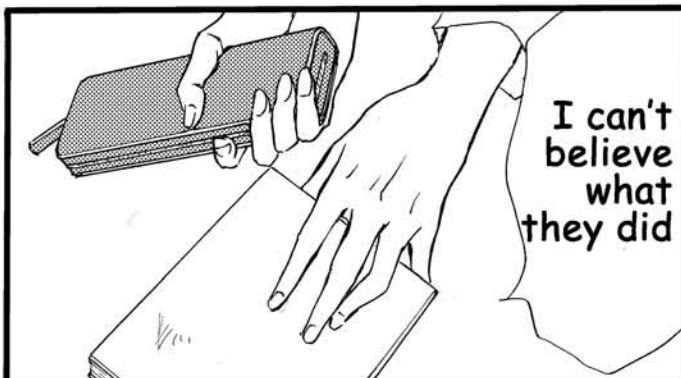

Are you all right?

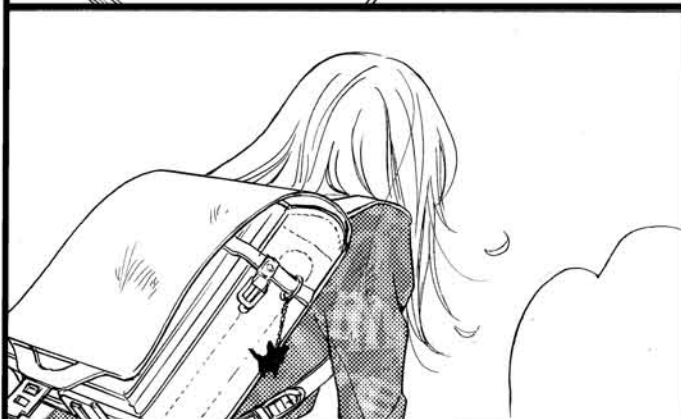

Mayu

Mayu...?

I can't believe what they did

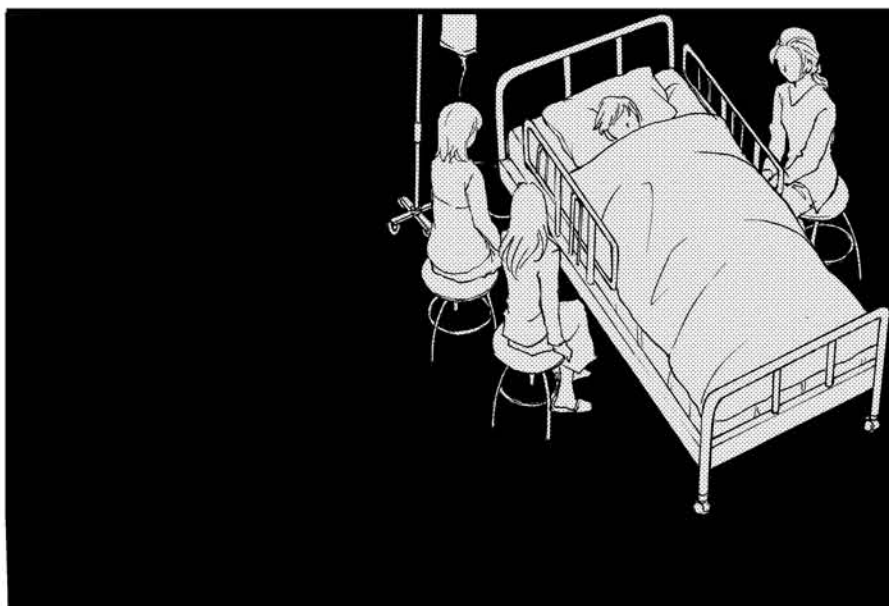

You can cry!

Everyone wants to cry every once in a while, even guys.

I promise I won't see a thing!

That night
was
the very first time
in my life
I collapsed and was
admitted to
a hospital.

What about baseball?

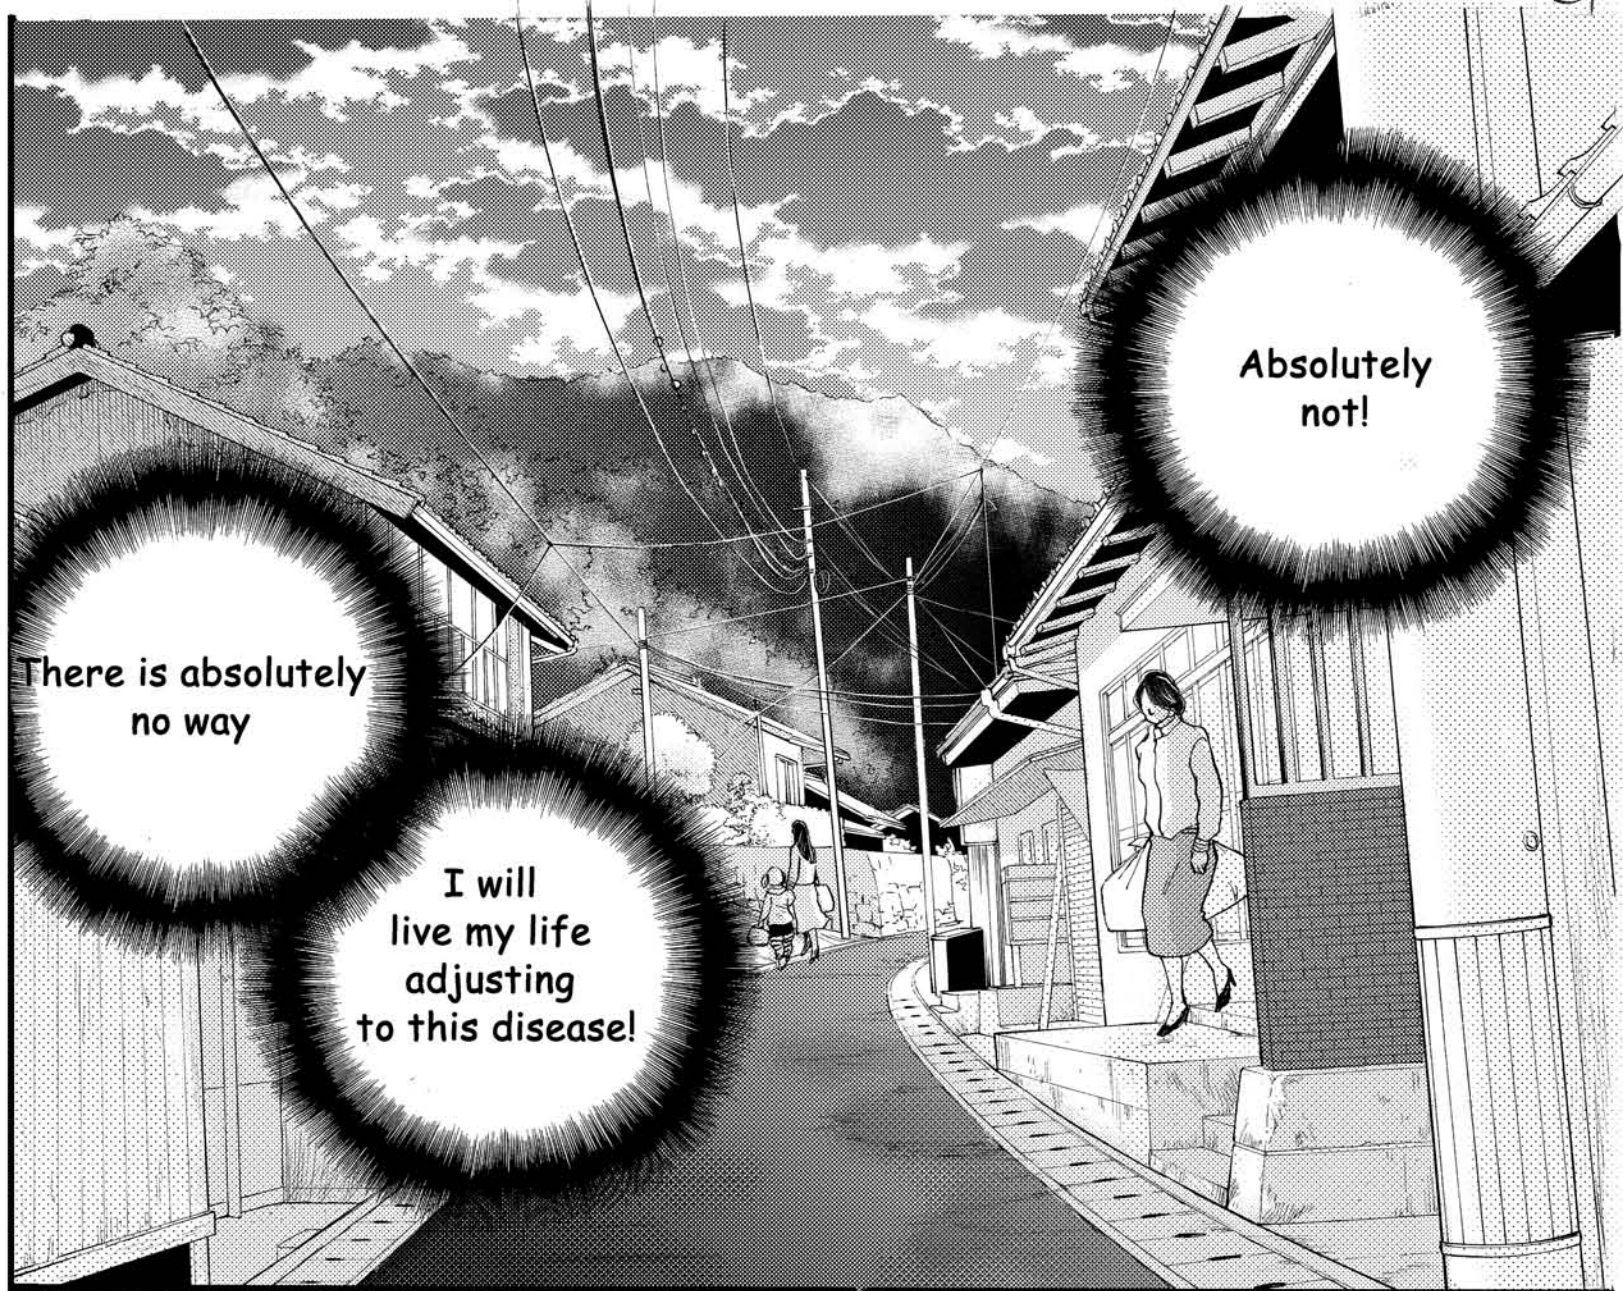

talking
about?

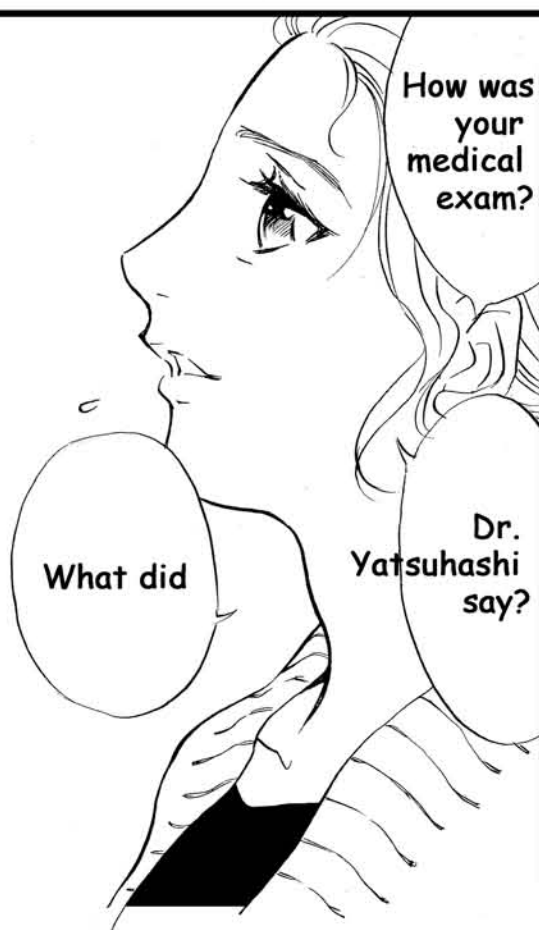

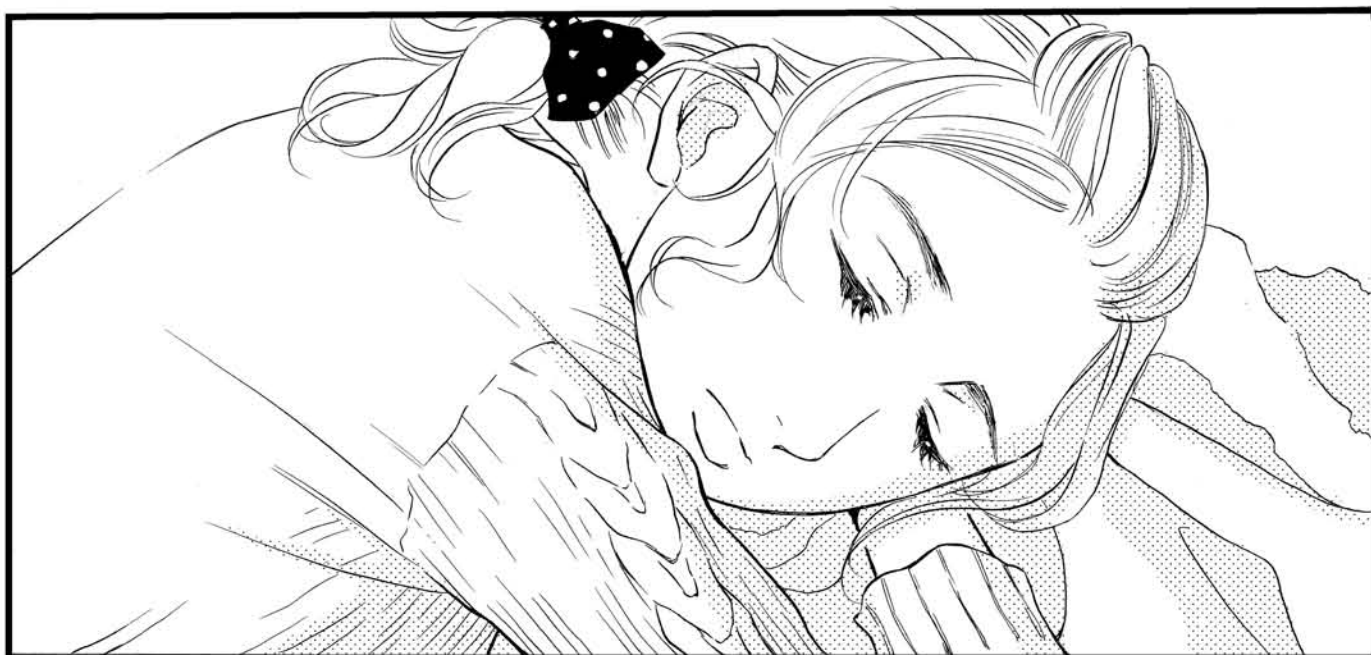

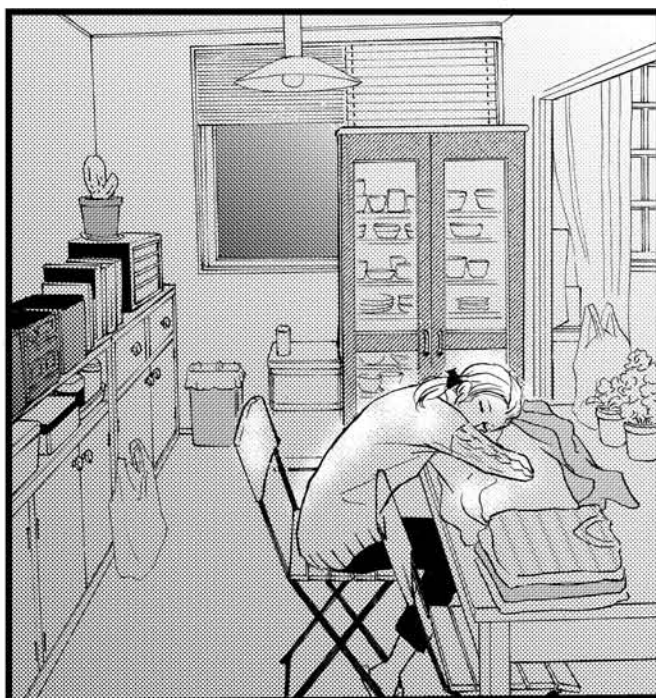

What
are
they

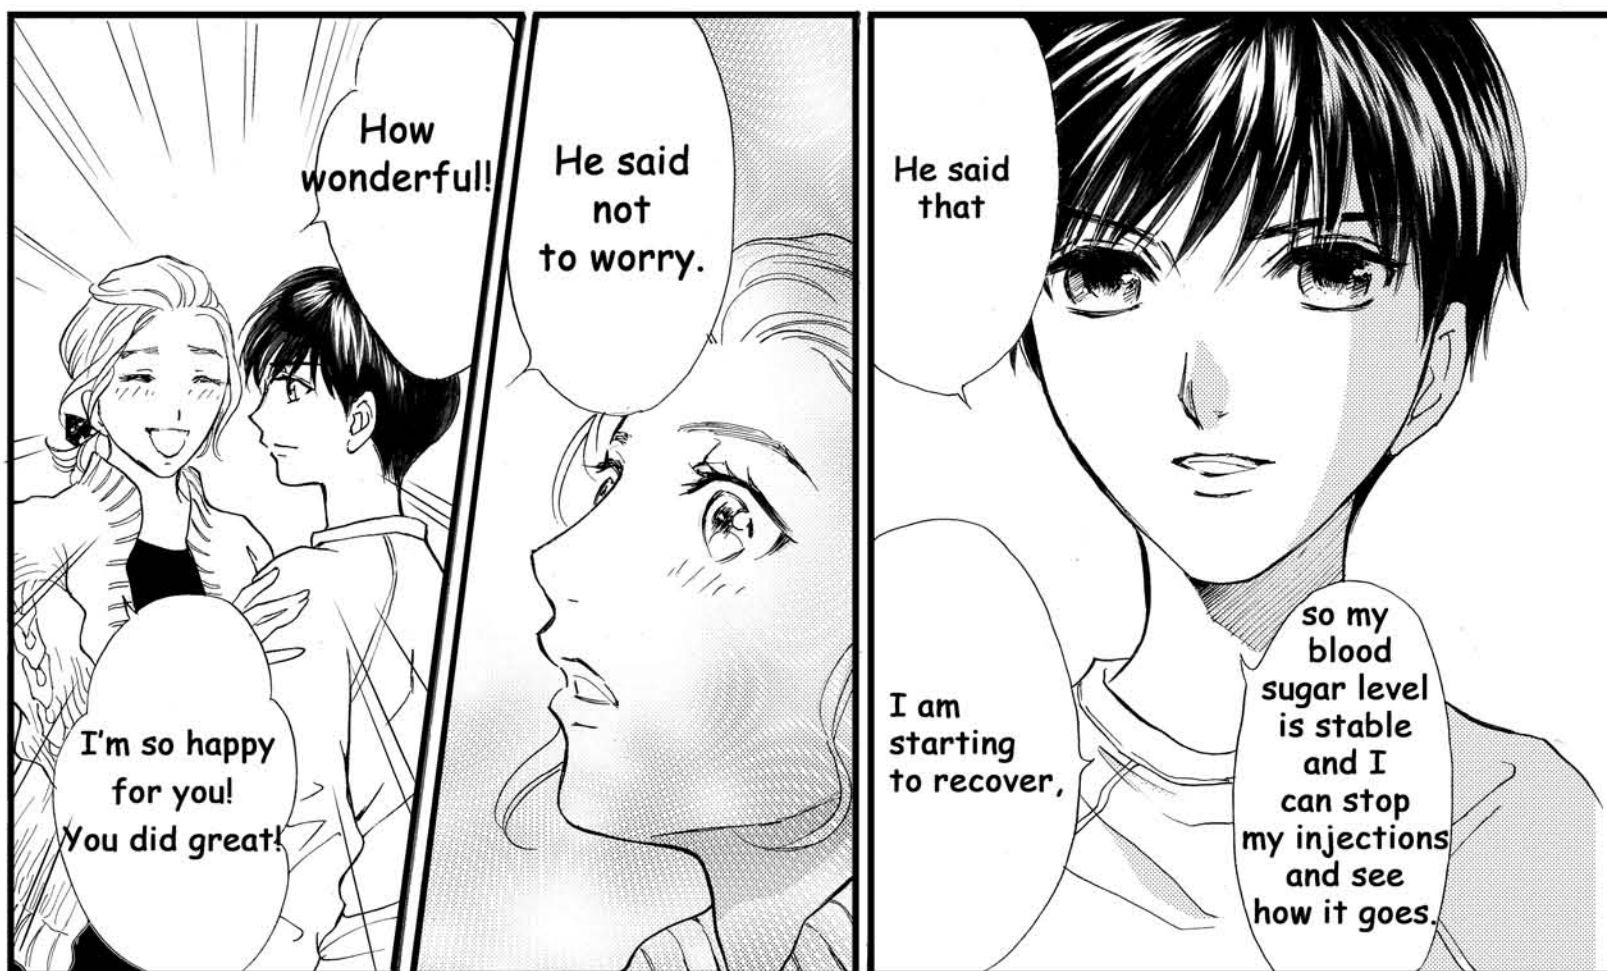

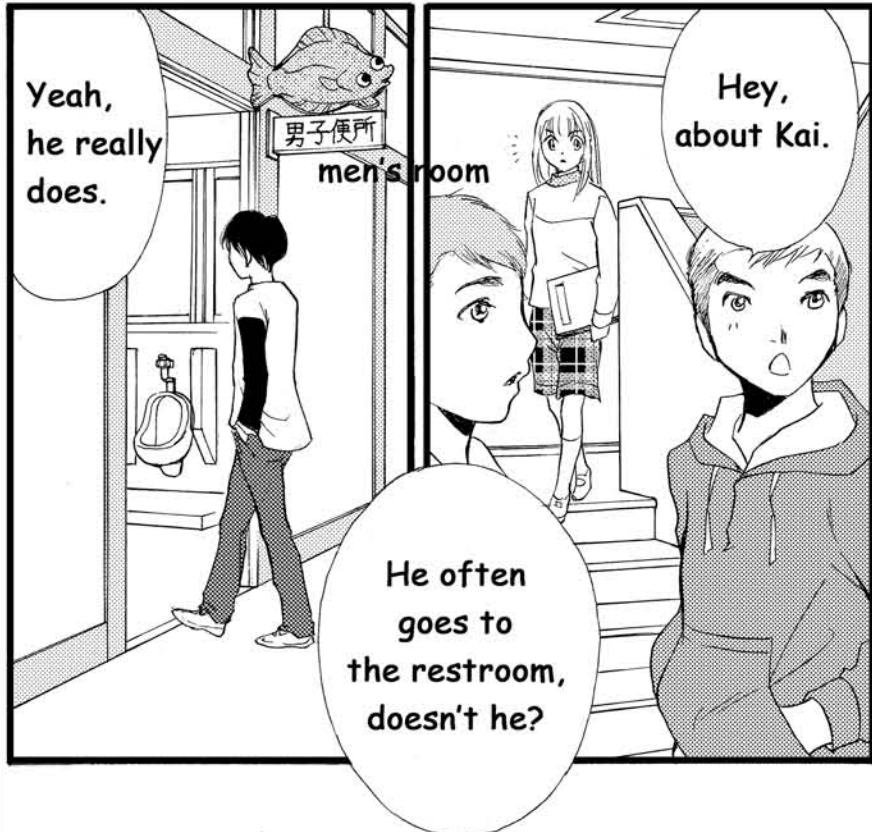

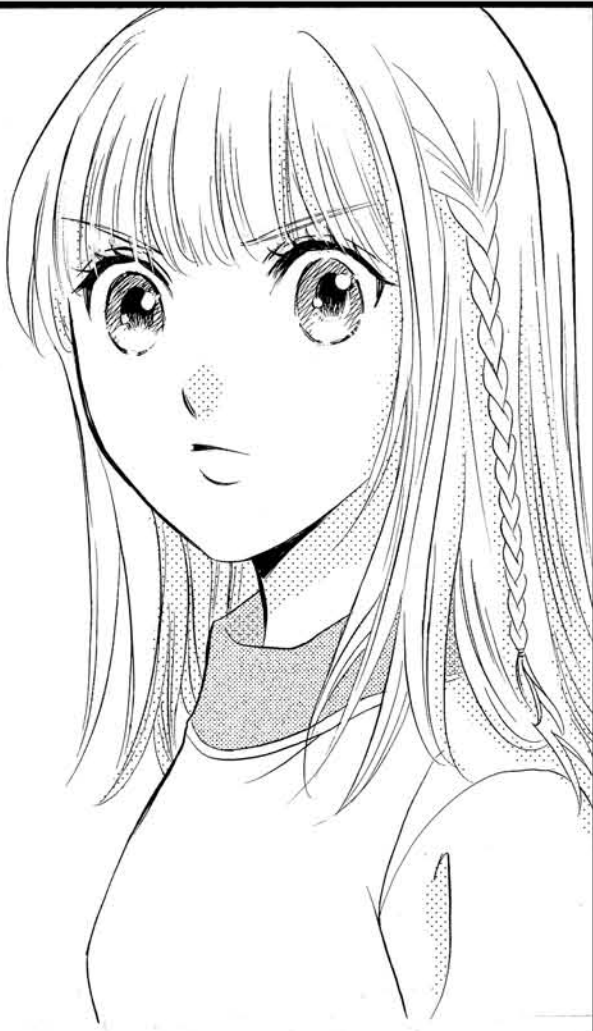

What about my team?

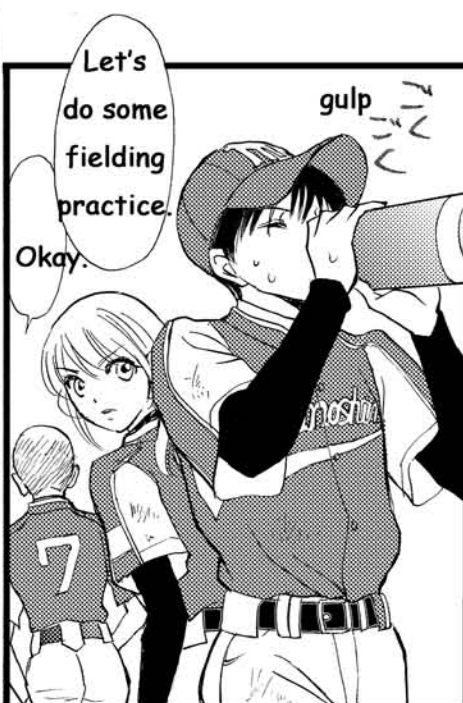

Are they suggesting that
I should leave
the island by myself?

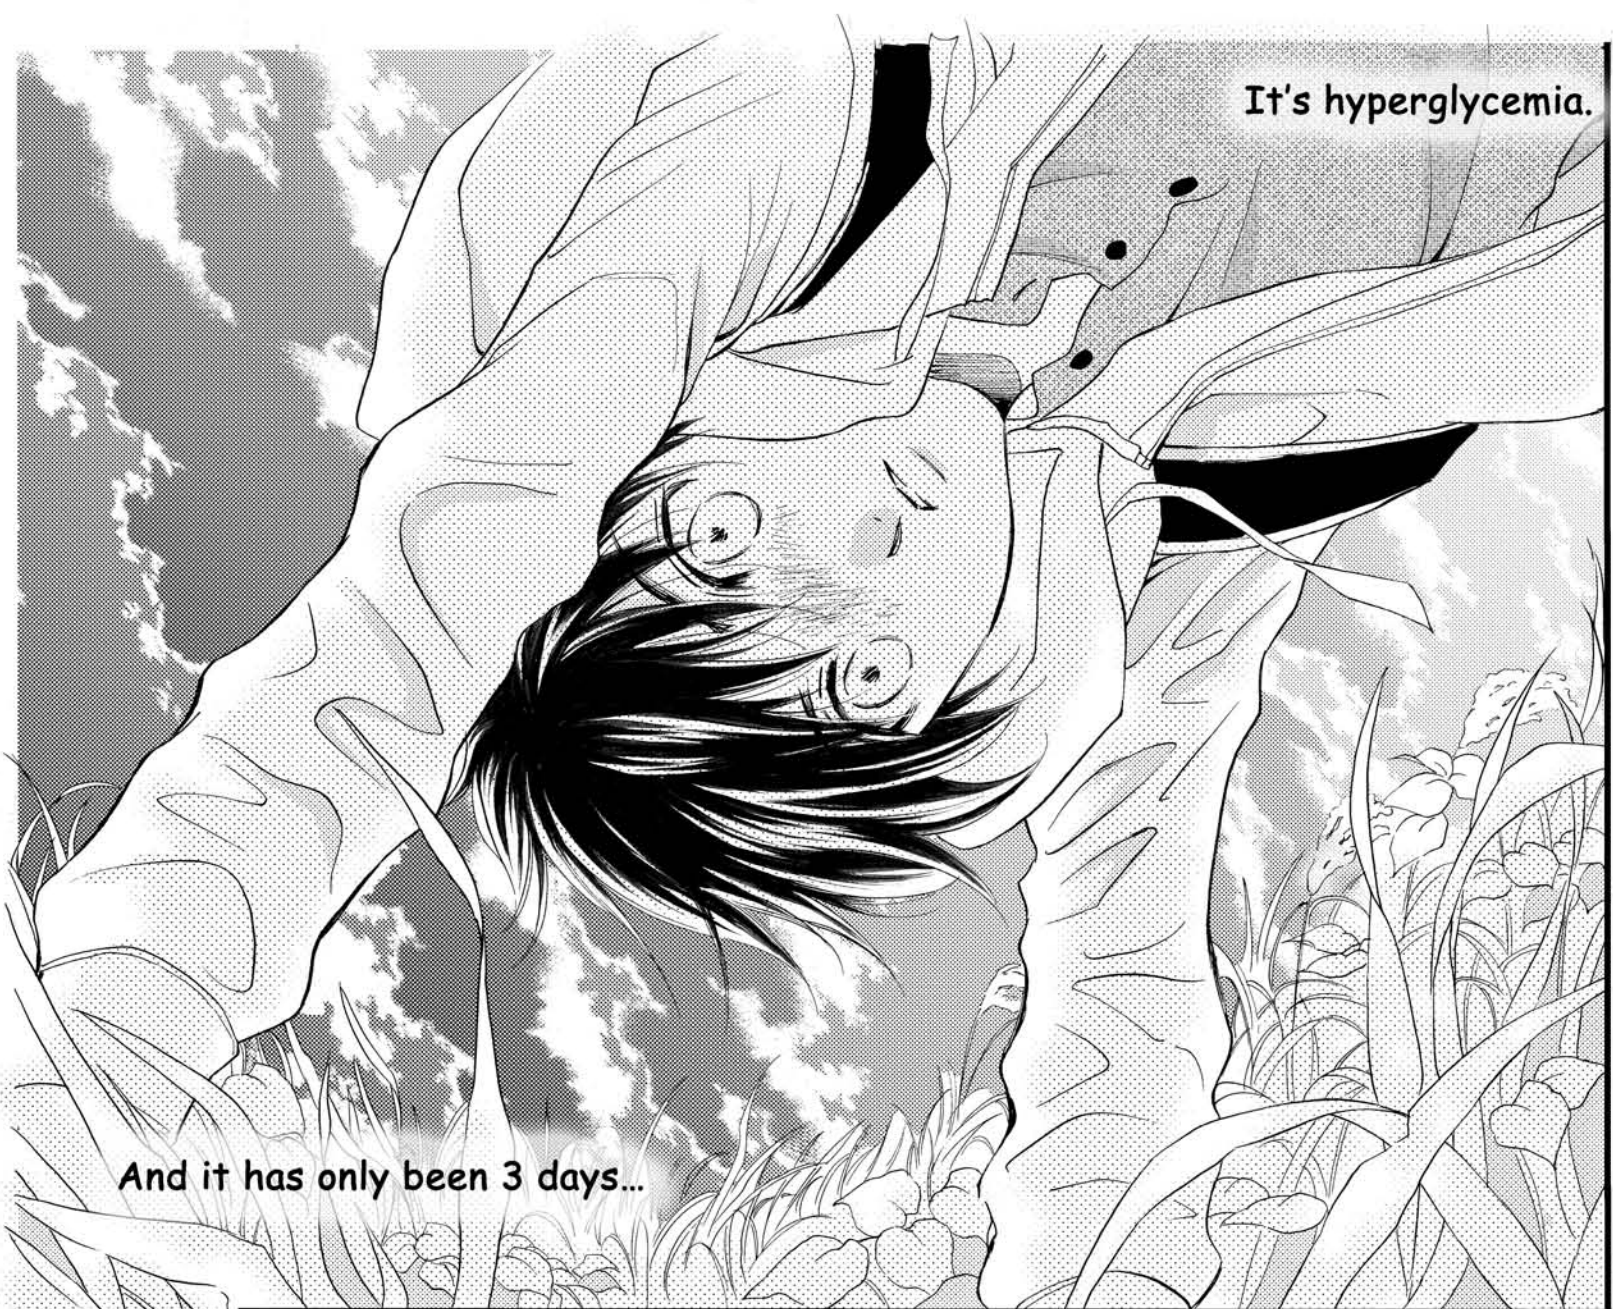

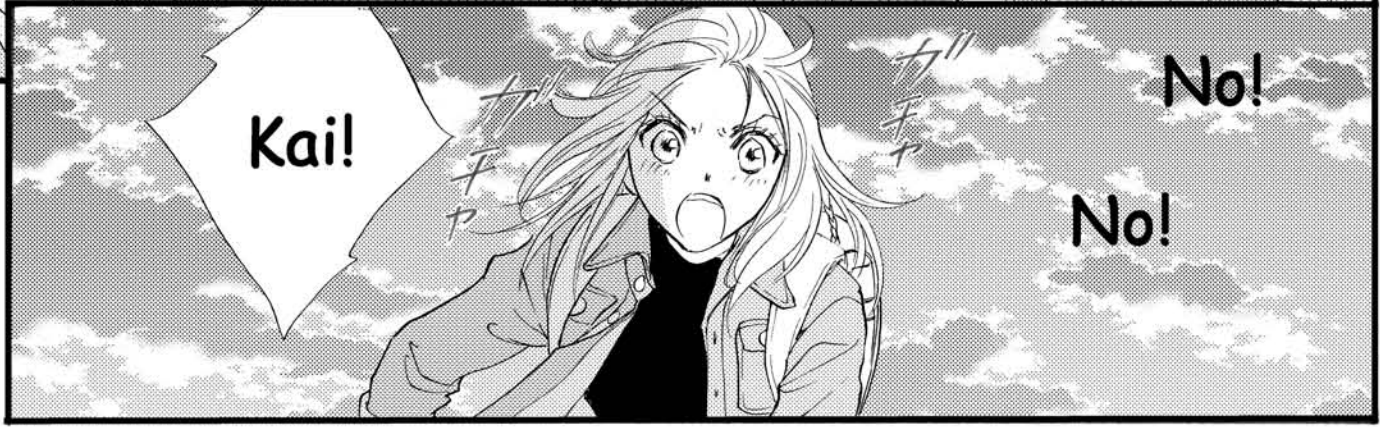

It's hyperglycemia.

And it has only been 3 days...

Kai!

No!

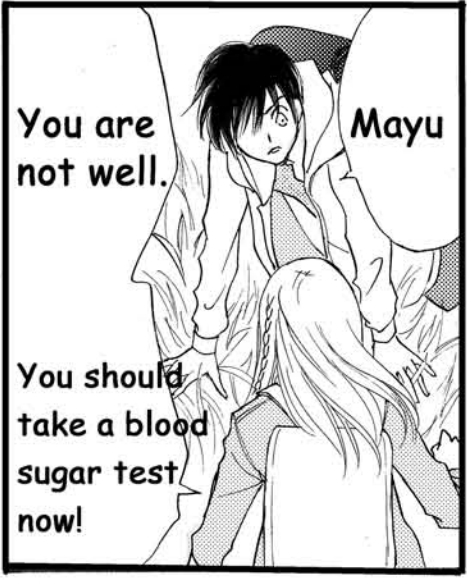

No!

My disease is

already cured!

Stay away!

You are not well.

Mayu

You should take a blood sugar test now!

I'd prefer
to be taken
care of
by nicer,

could make
you
go blind,
or even...
die...

Your
disease

So,

you don't
need to
take care
of me
anymore!

prettier girls
like Emika or
Sayaka anyway.

Why
do you...

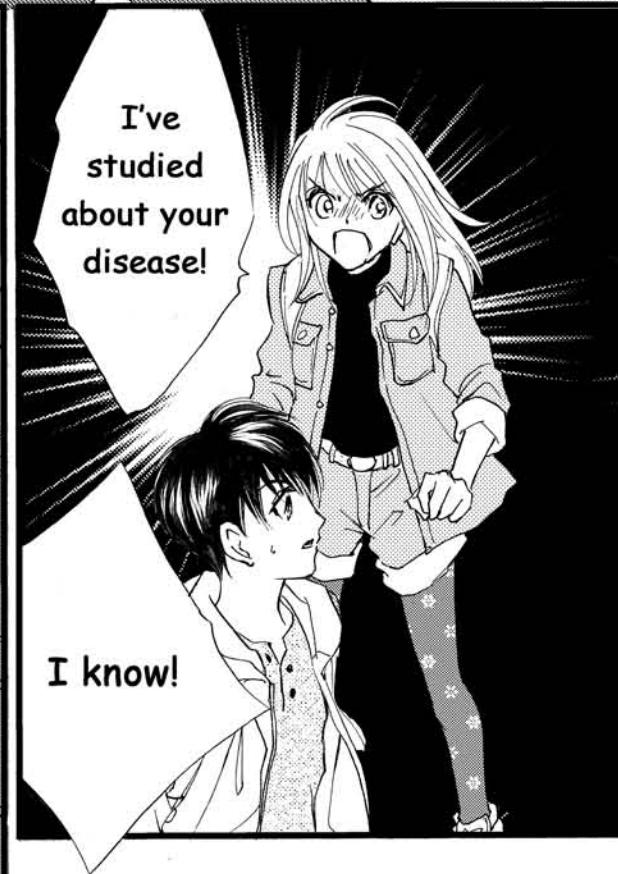

apologize
to me,

what
do
you
mean?

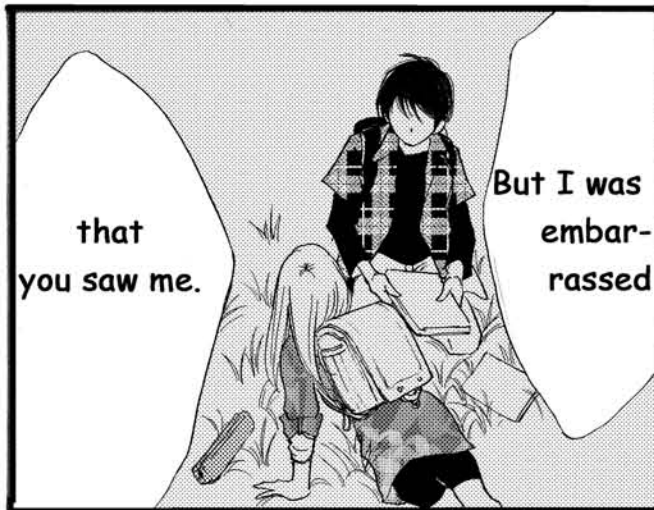

I
apologize.

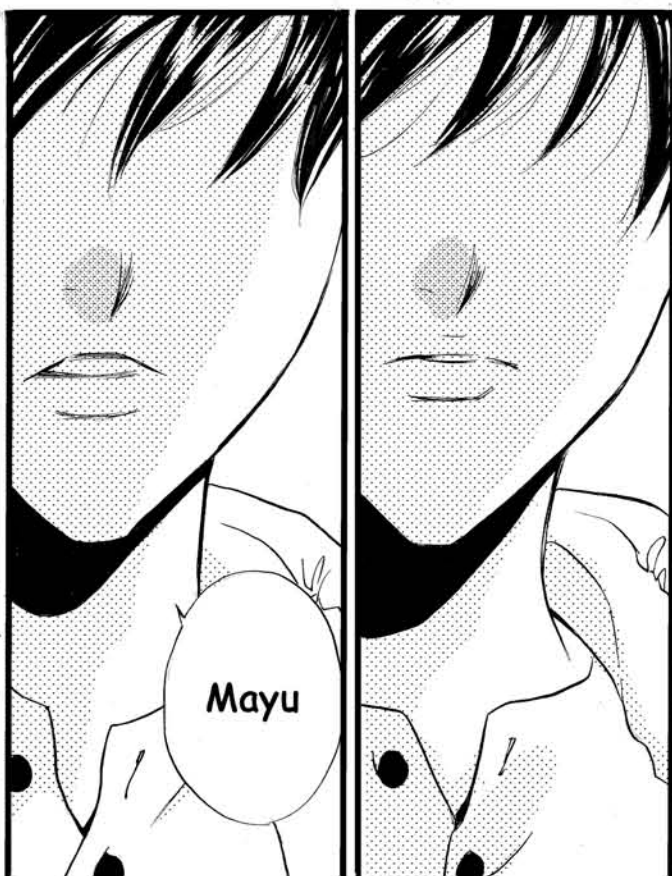

So,
please...

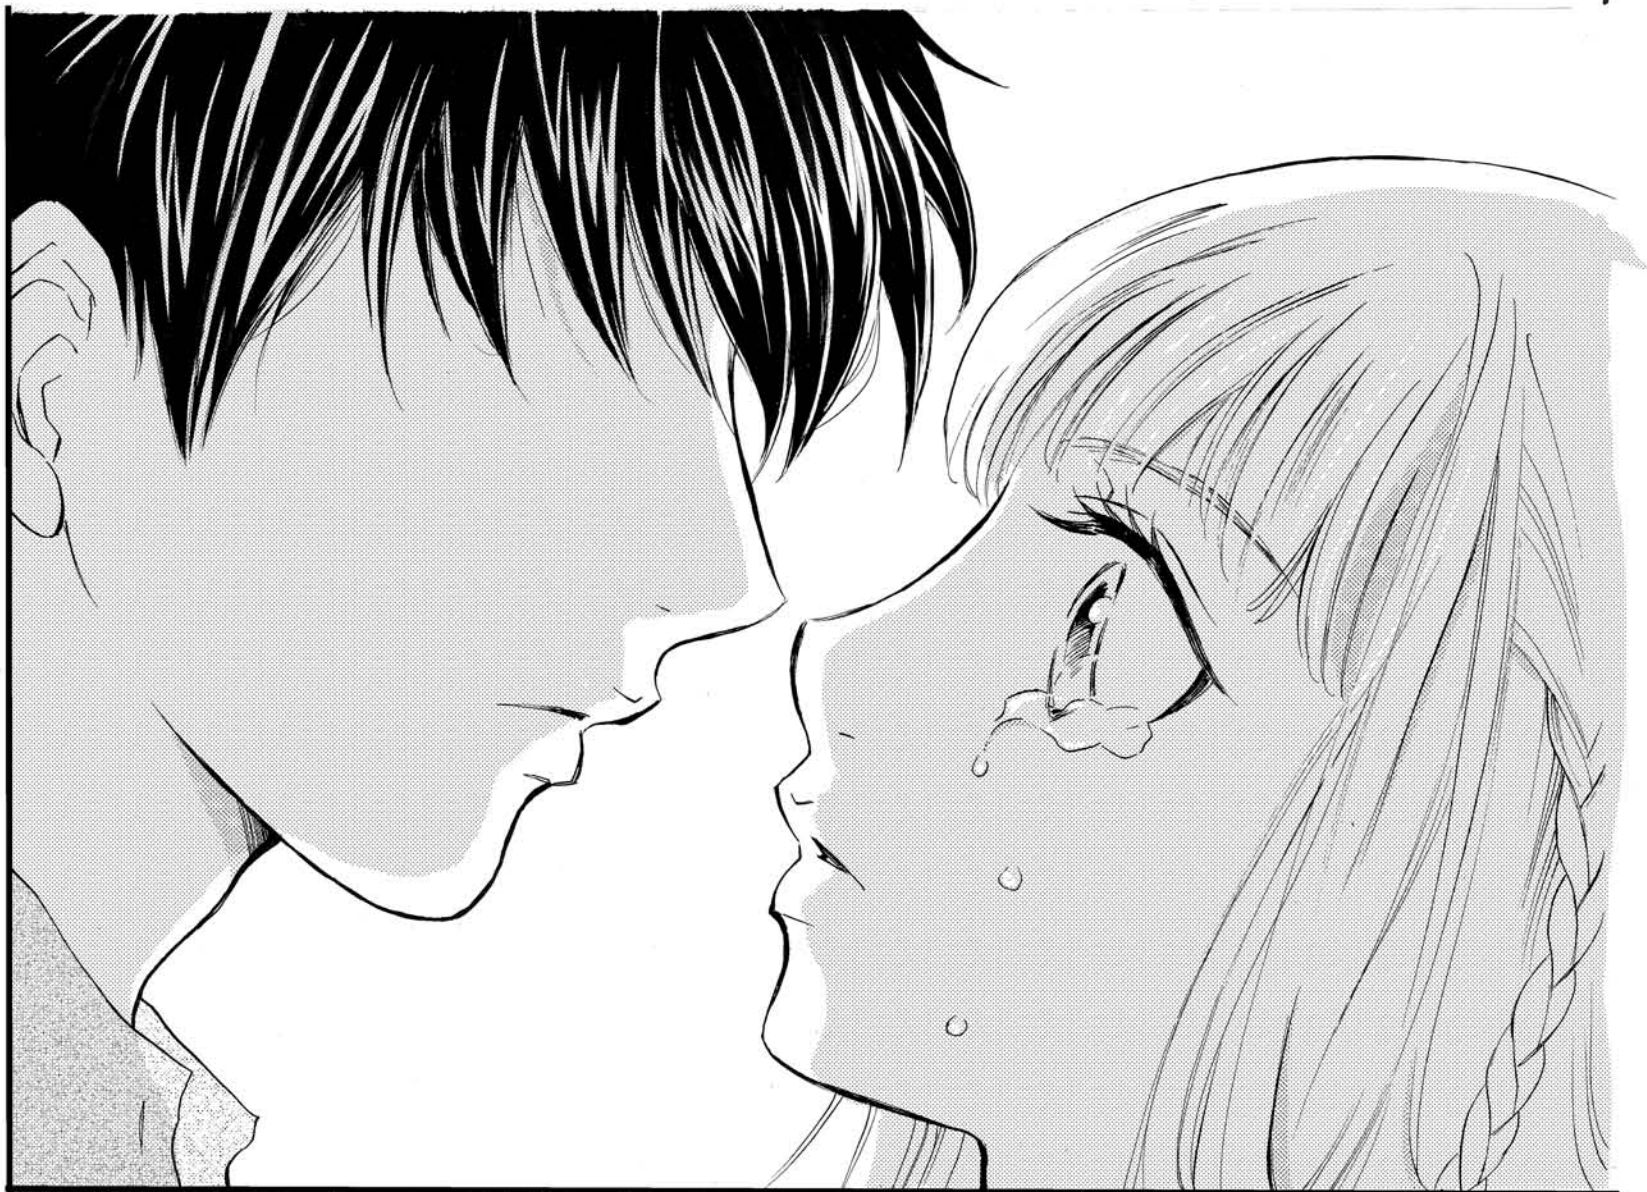

I've
studied
about your
disease!

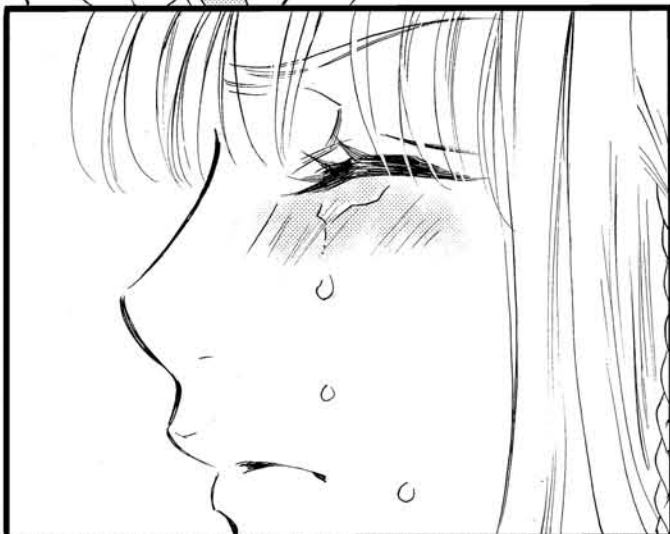

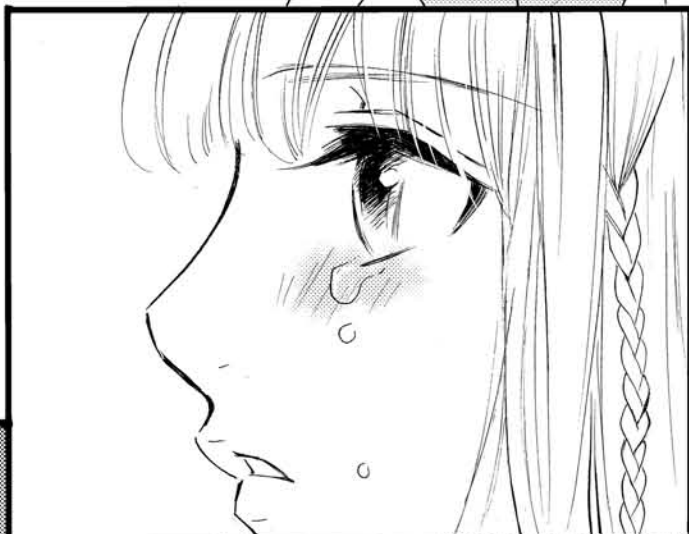

I know!

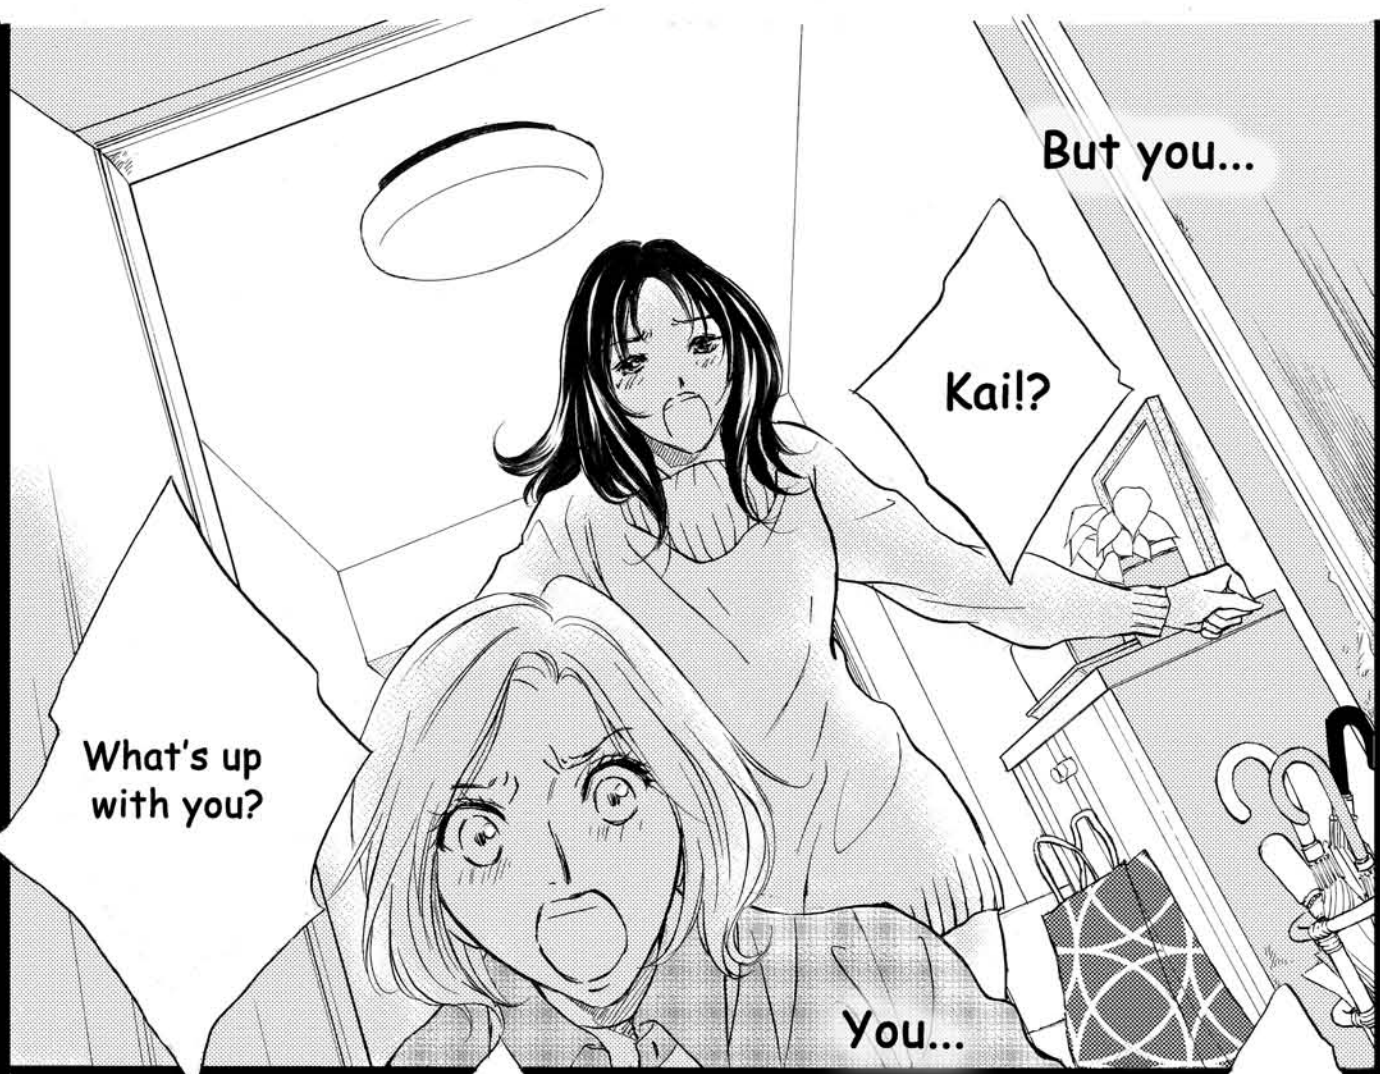

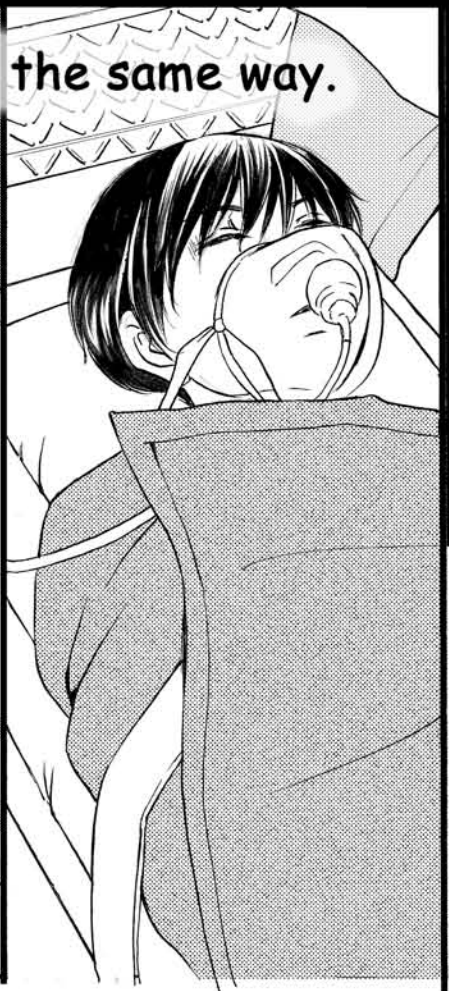

I like you, Mayu.

You don't feel the same way.

No!

Please
add
more insulin.

When it
gets below 250,
please switch
to glucose.

What is
the blood
sugar level?

It's at 500.

Understood.

It was not your fault!

It's something I did.

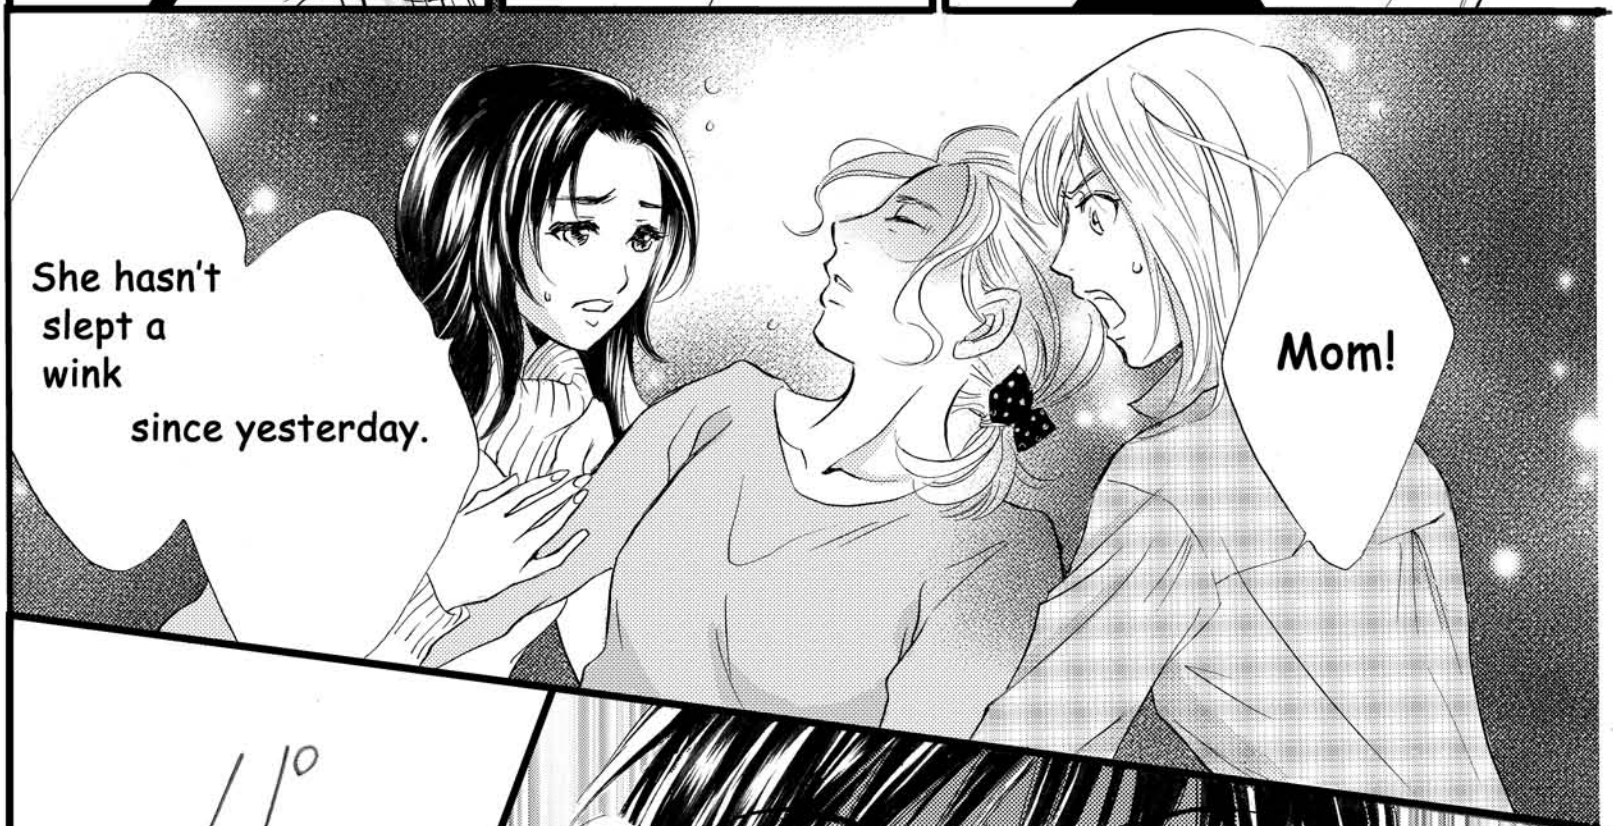

and I'm supposed to be his mother.

I bought everything my child said... without even making sure...

I'm sorry.

She hasn't slept a wink since yesterday.

Mom!

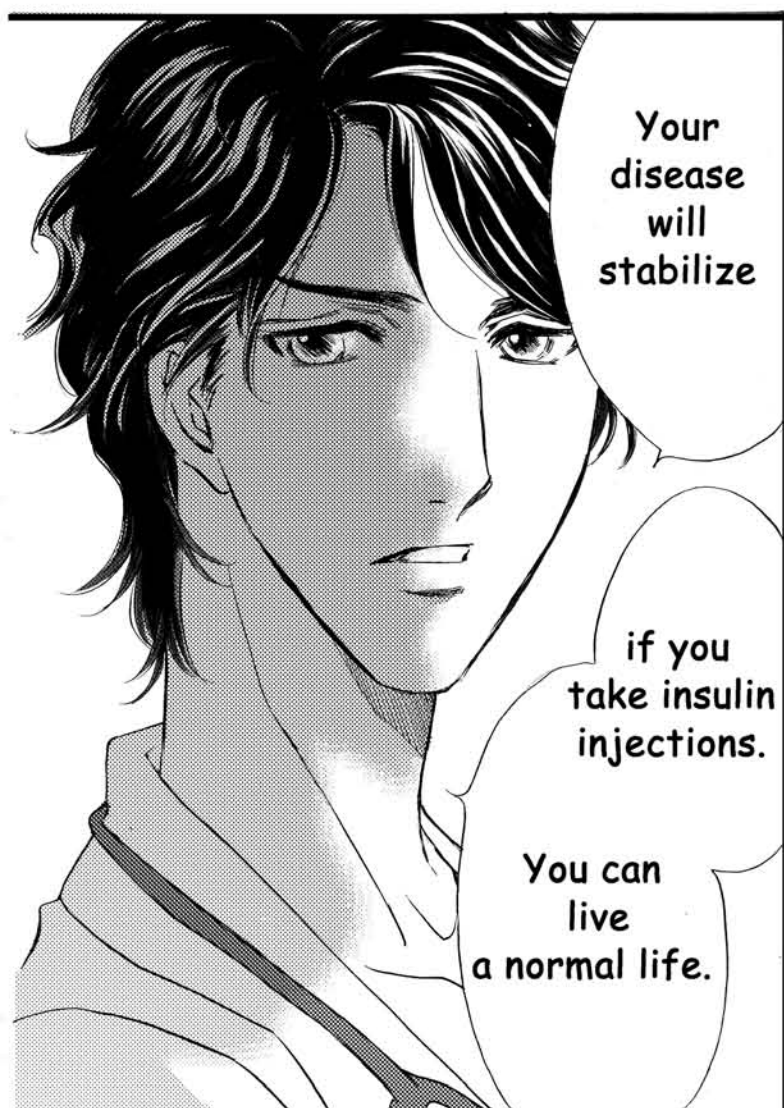

Bang

We're going with her.

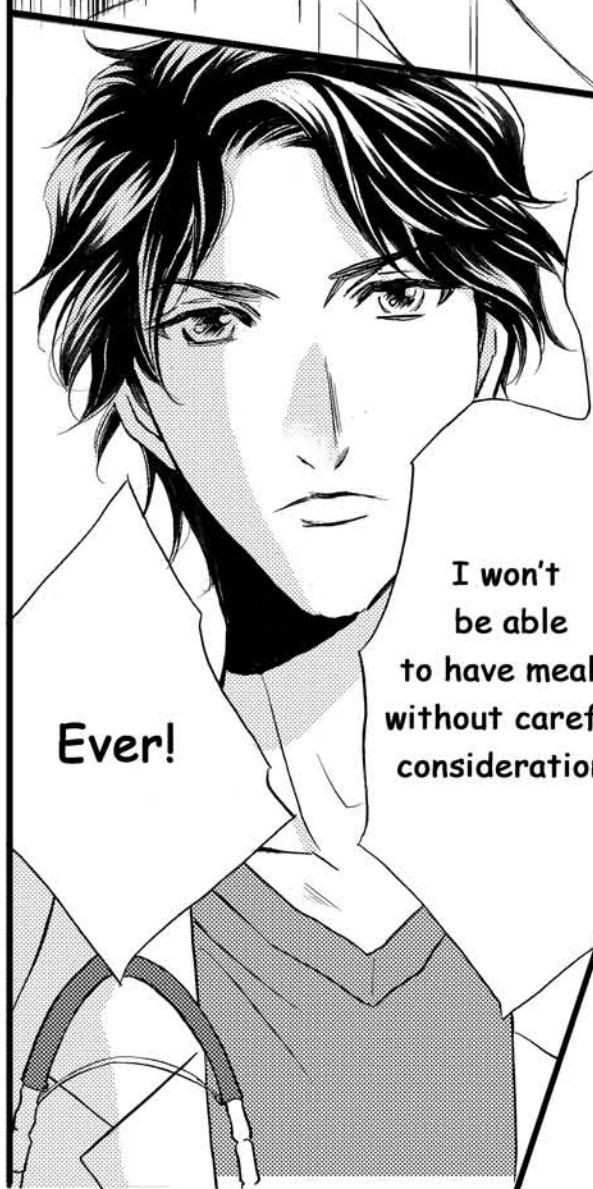

Then take her there right away.

We have a bed available in the back.

Just tell me
that I will be dead
if I can't control
my disease!

Ever!

I won't
be able
to have meals
without careful
consideration!

I gave up
my match.

Tell me that
I should get i
njections everyday

if I don't
want to go
blind and
get complications!

Should I
have patience
with this

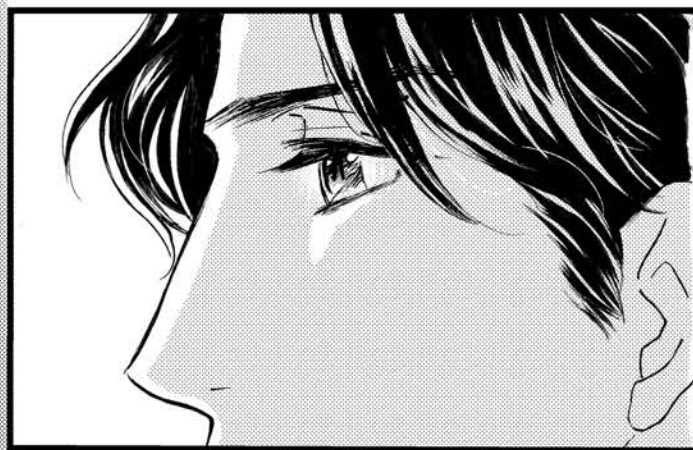

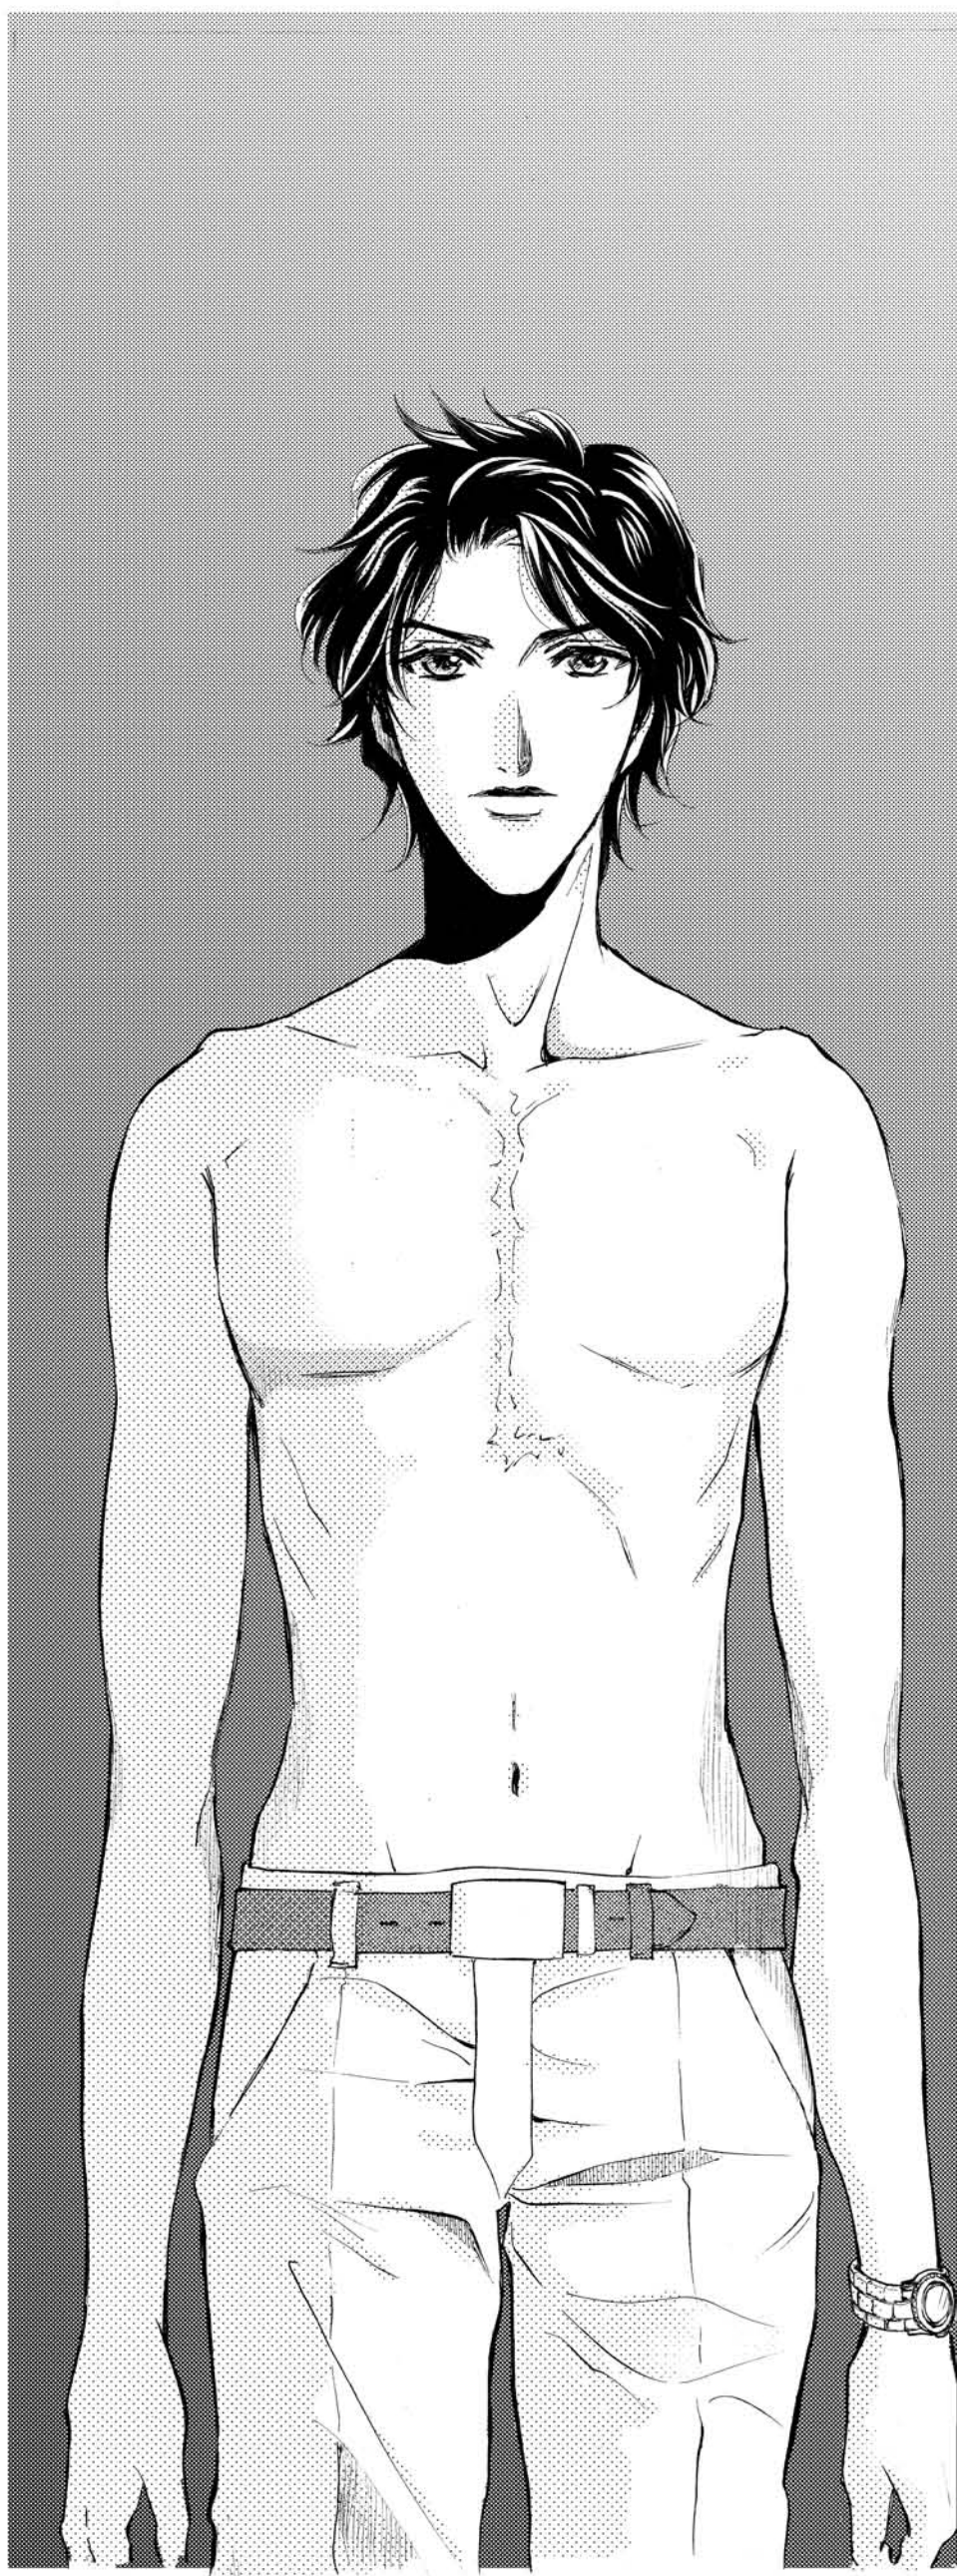

How much
of a nuisance
does this disease
have to be
for it to be
satisfied?

because
others do?

It didn't
come to you!

Why
did
it come
to me?

Why
is it
me!

you really
want to meet
them again
don't you?

You
want
to be
with
your
loved
ones,

don't you?

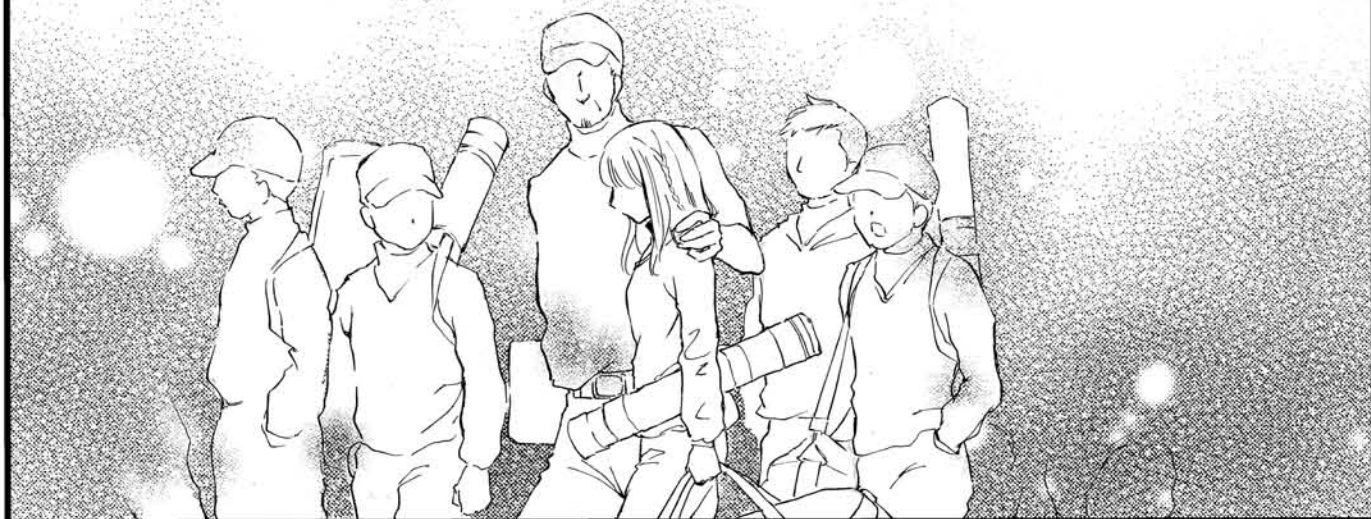

If you
break up
with them

or get
into
a fight,

I want to see her smiling face.

I want to hear
her sassy voice.

Again.

We will
come
and
visit you.

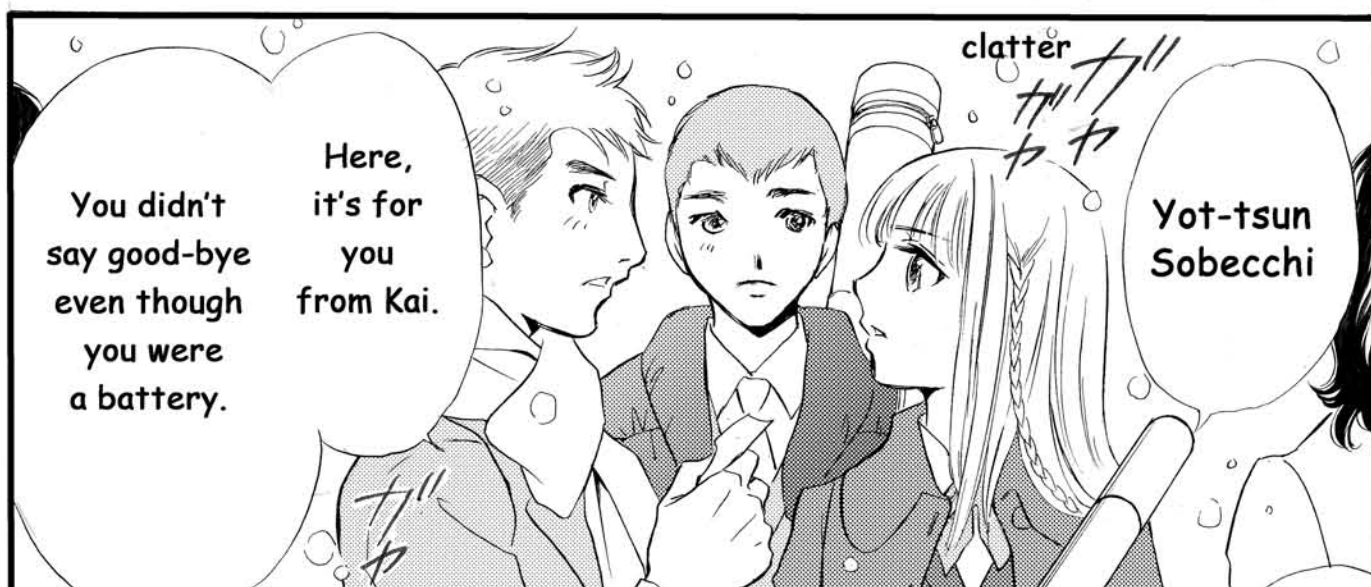

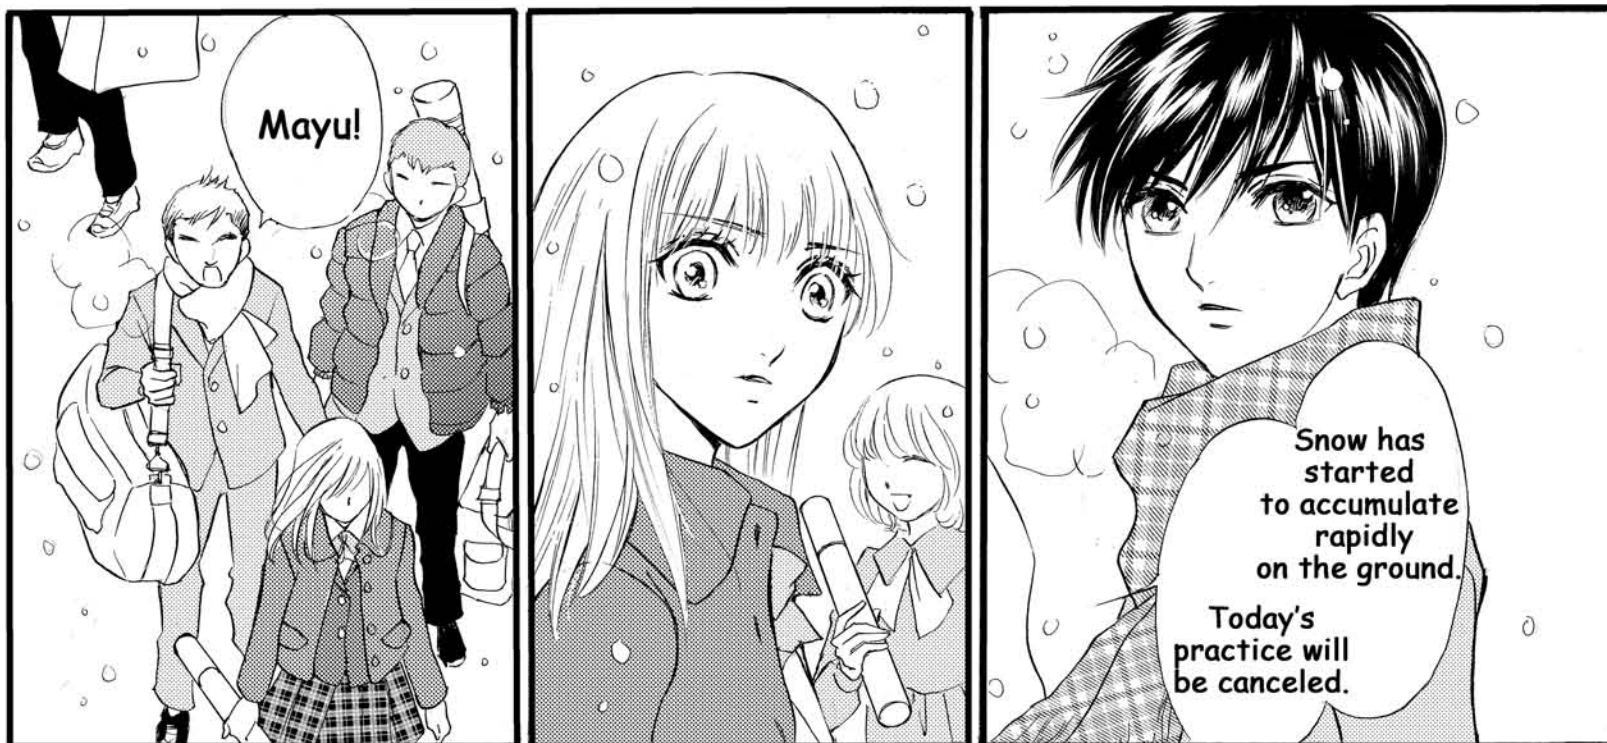

Yeah

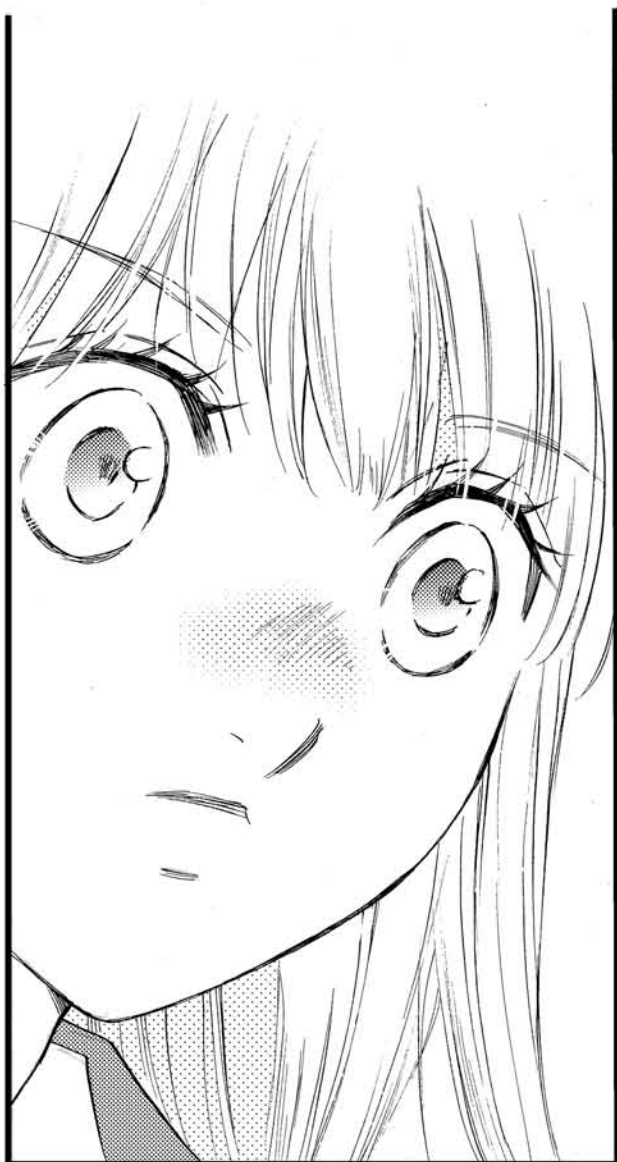

Kai!

Good luck
in
Hiroshima.

卒業式

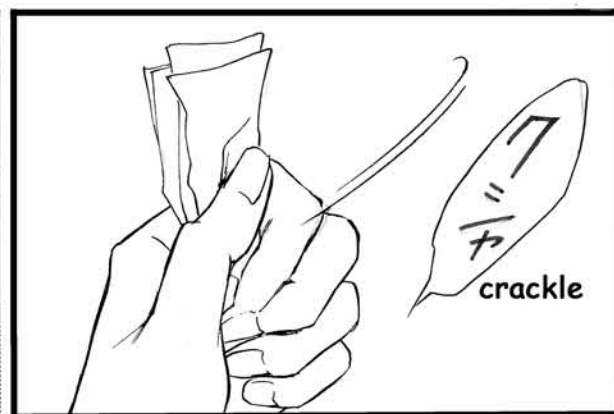

So, we're having dinner at Nakanoshima Club.

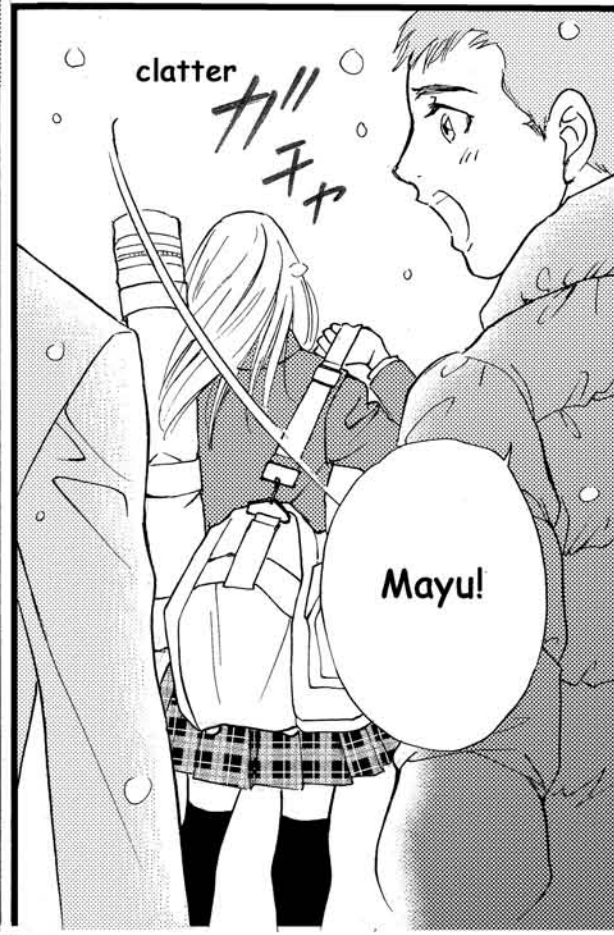

It sure is snowing hard, isn't it?
I wore short sleeves last year.

Ahaha

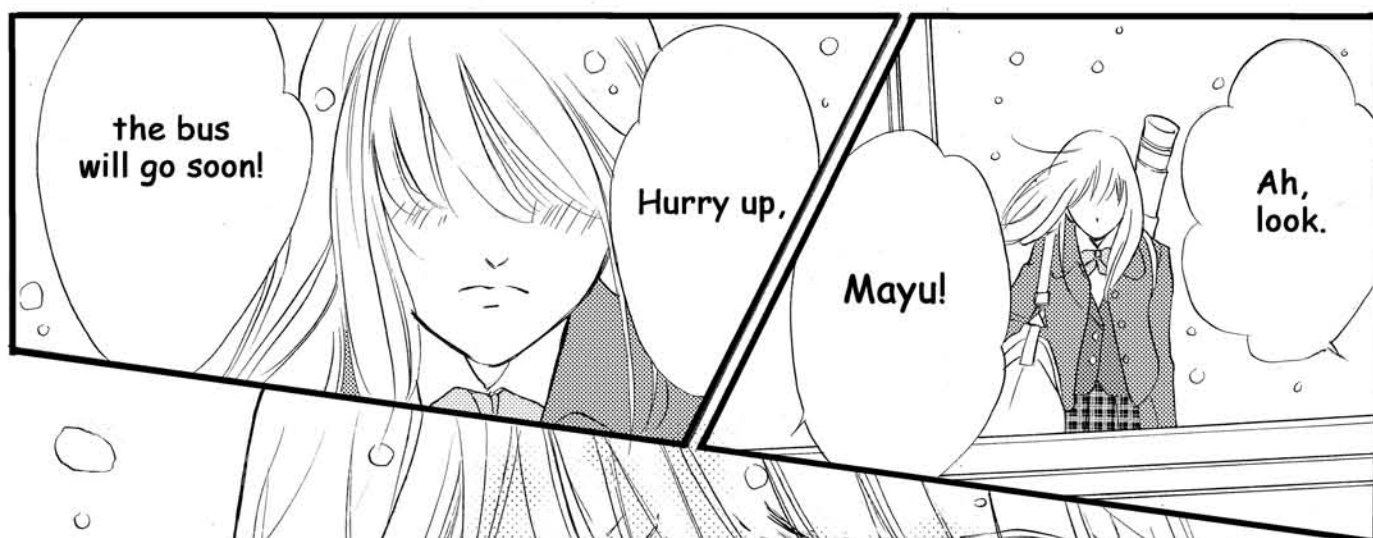

I have to go to cram school.

Their sweet peach bun is delicious, isn't it?
Want to go to Karaoke after that?

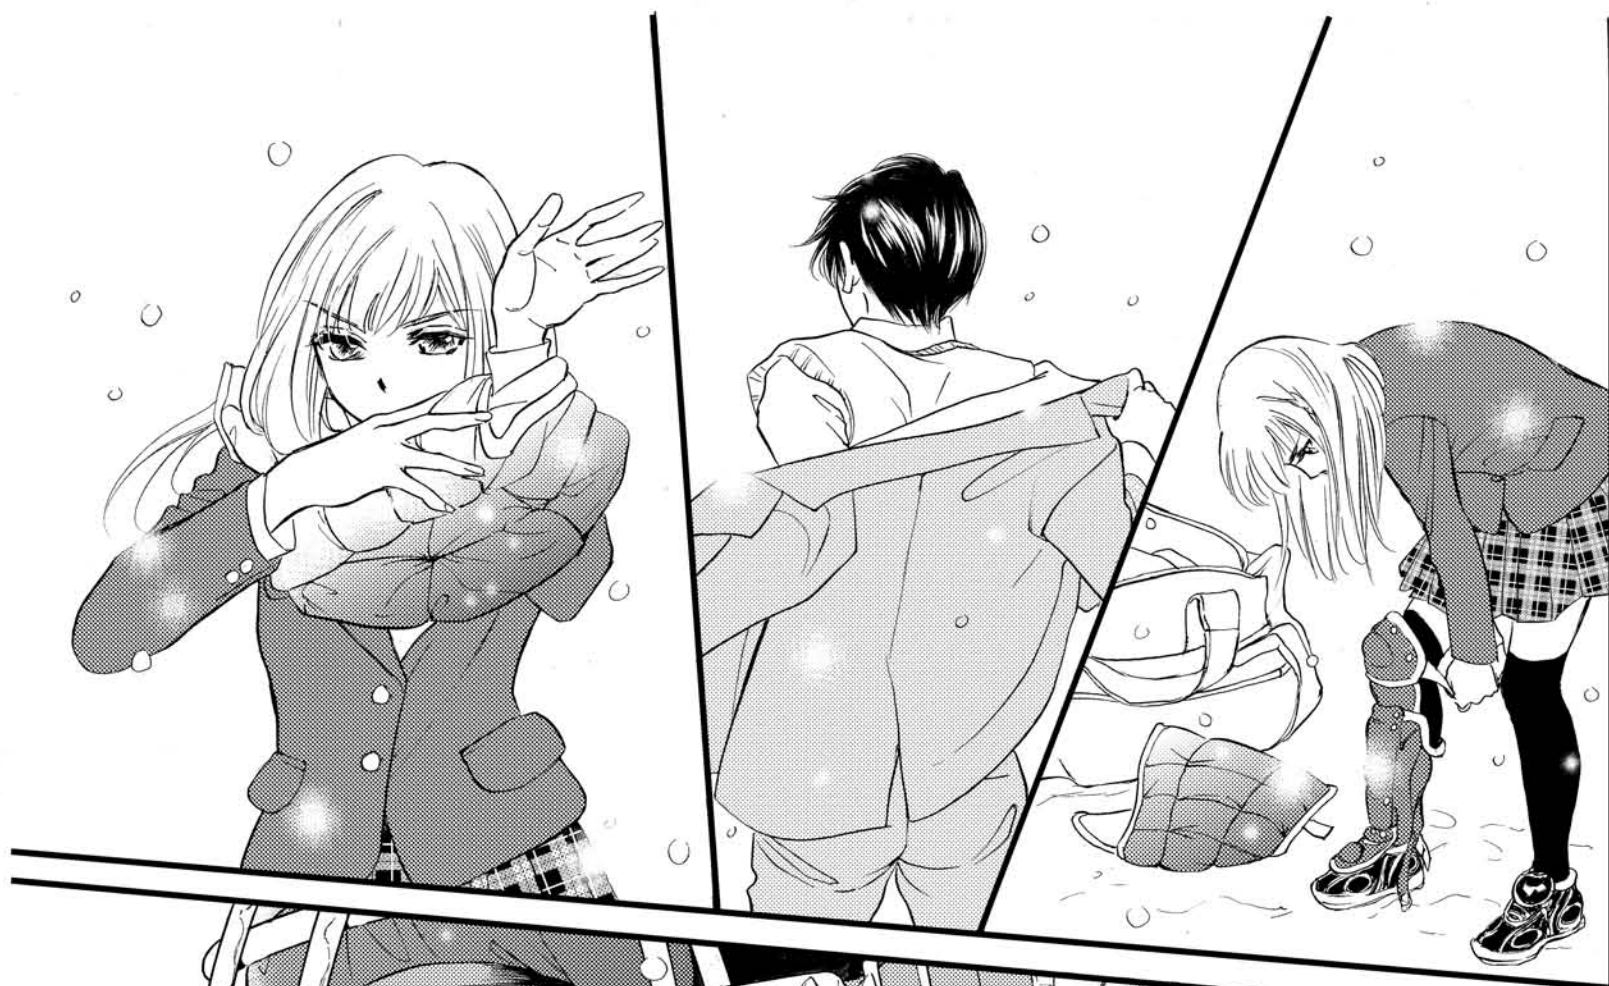

clatter

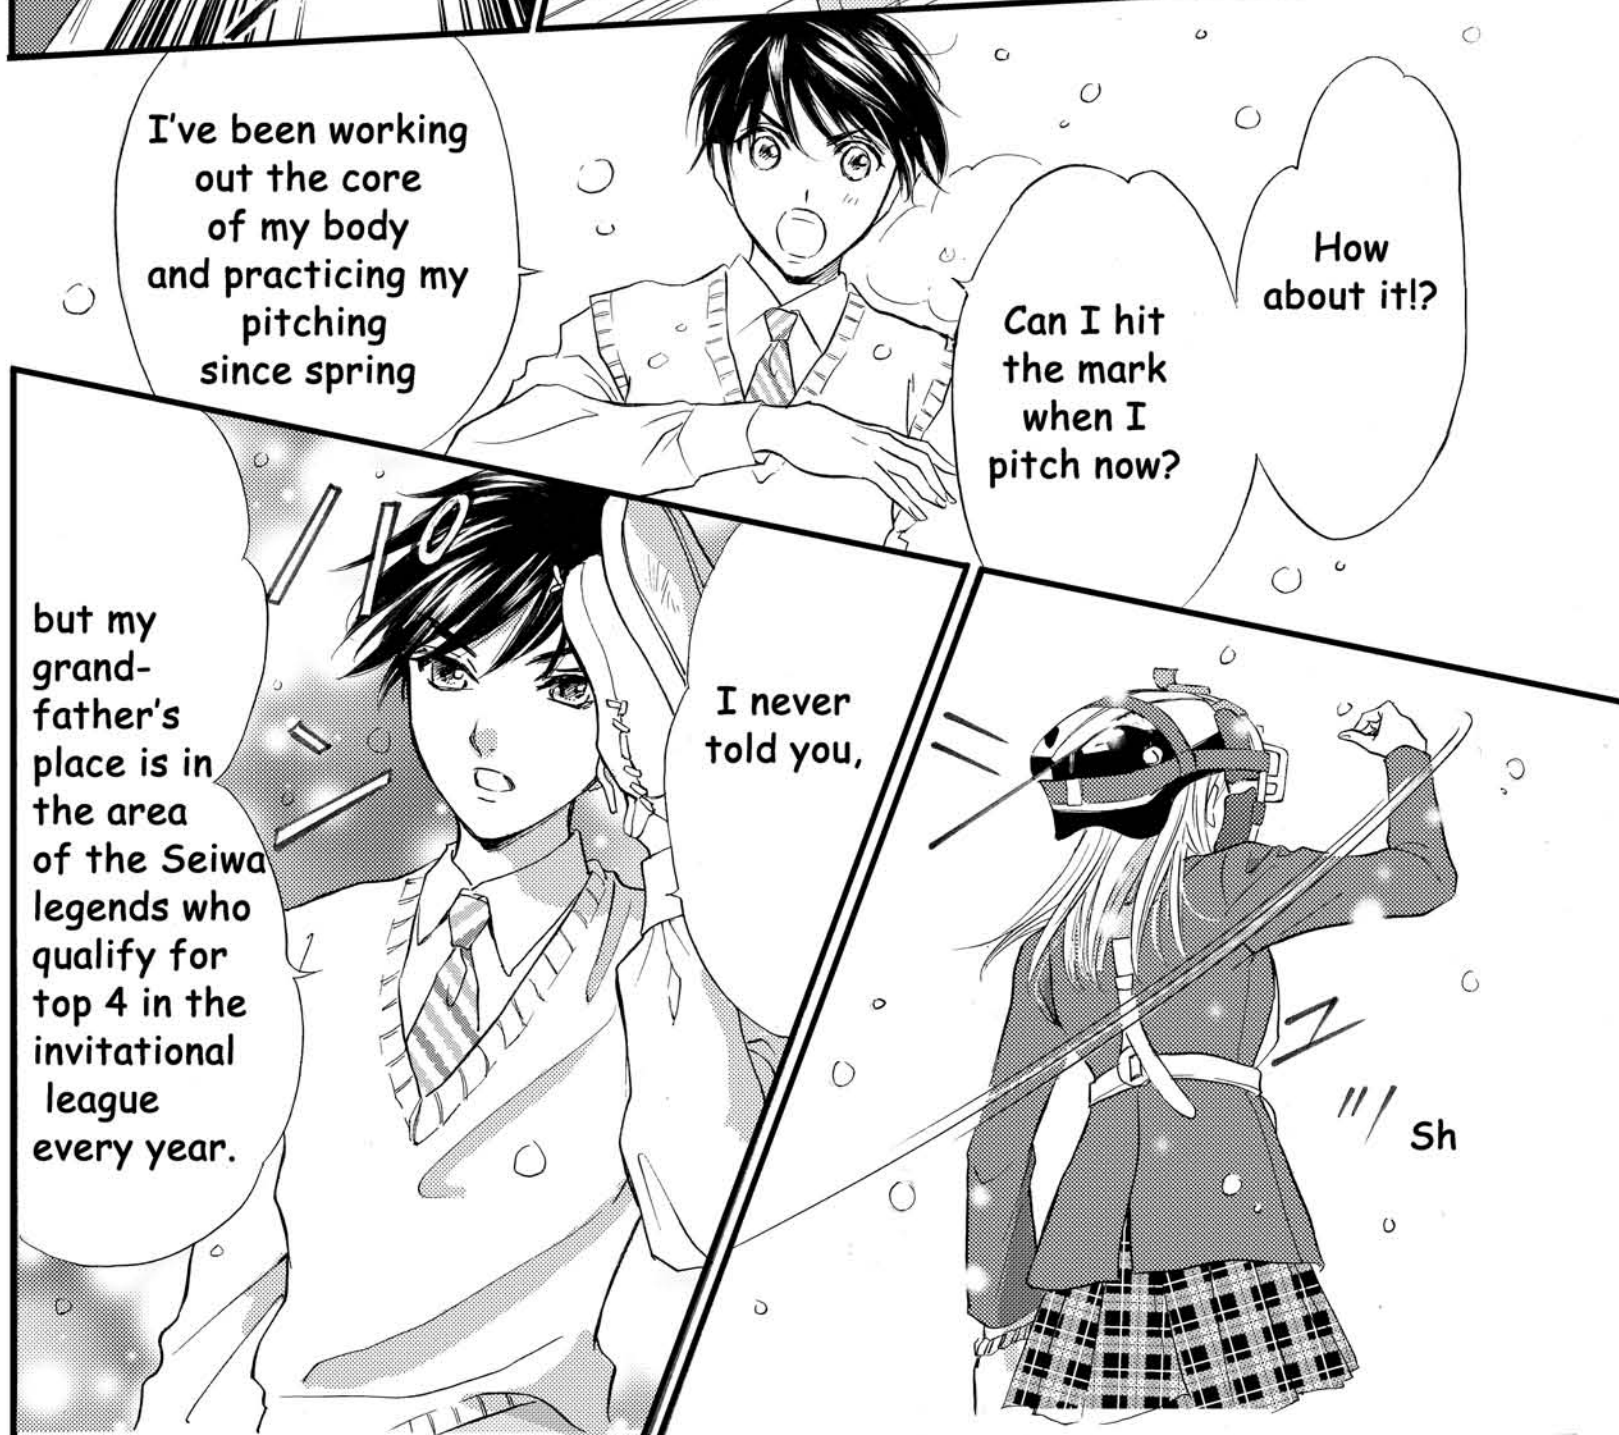

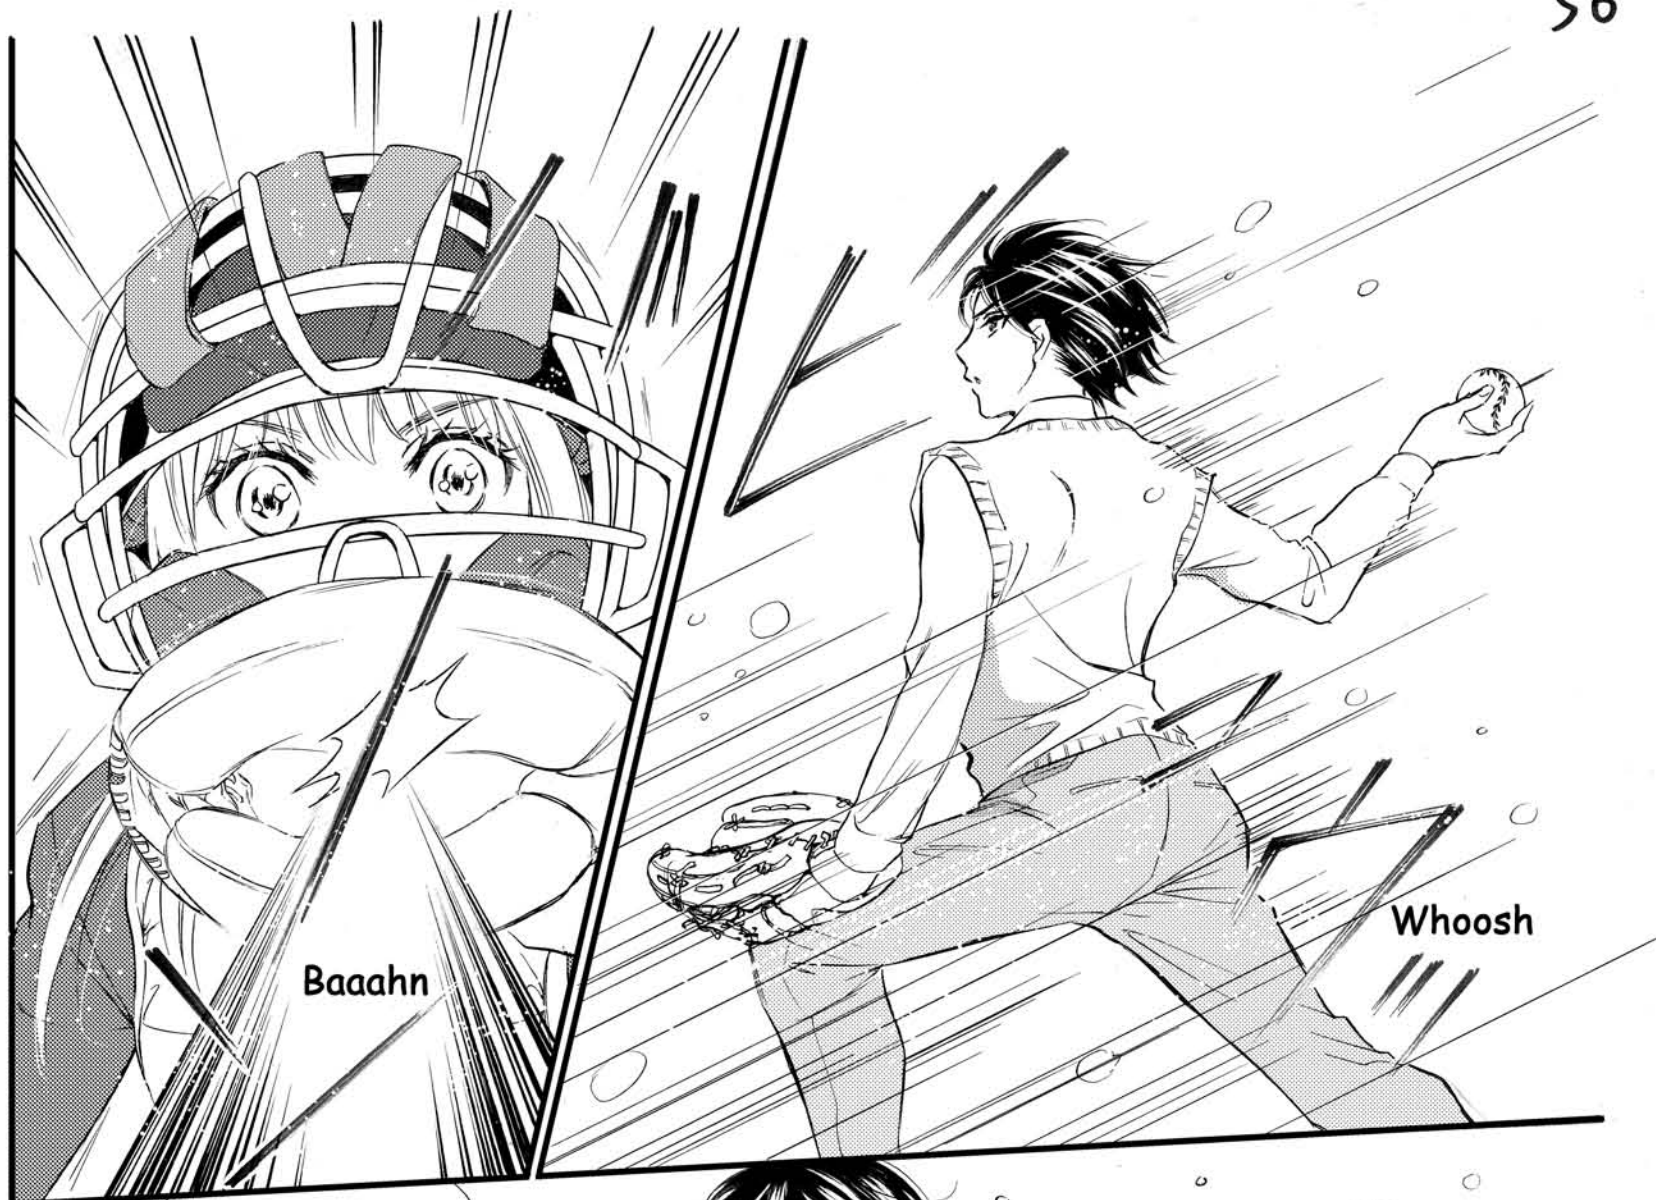

Mayu!

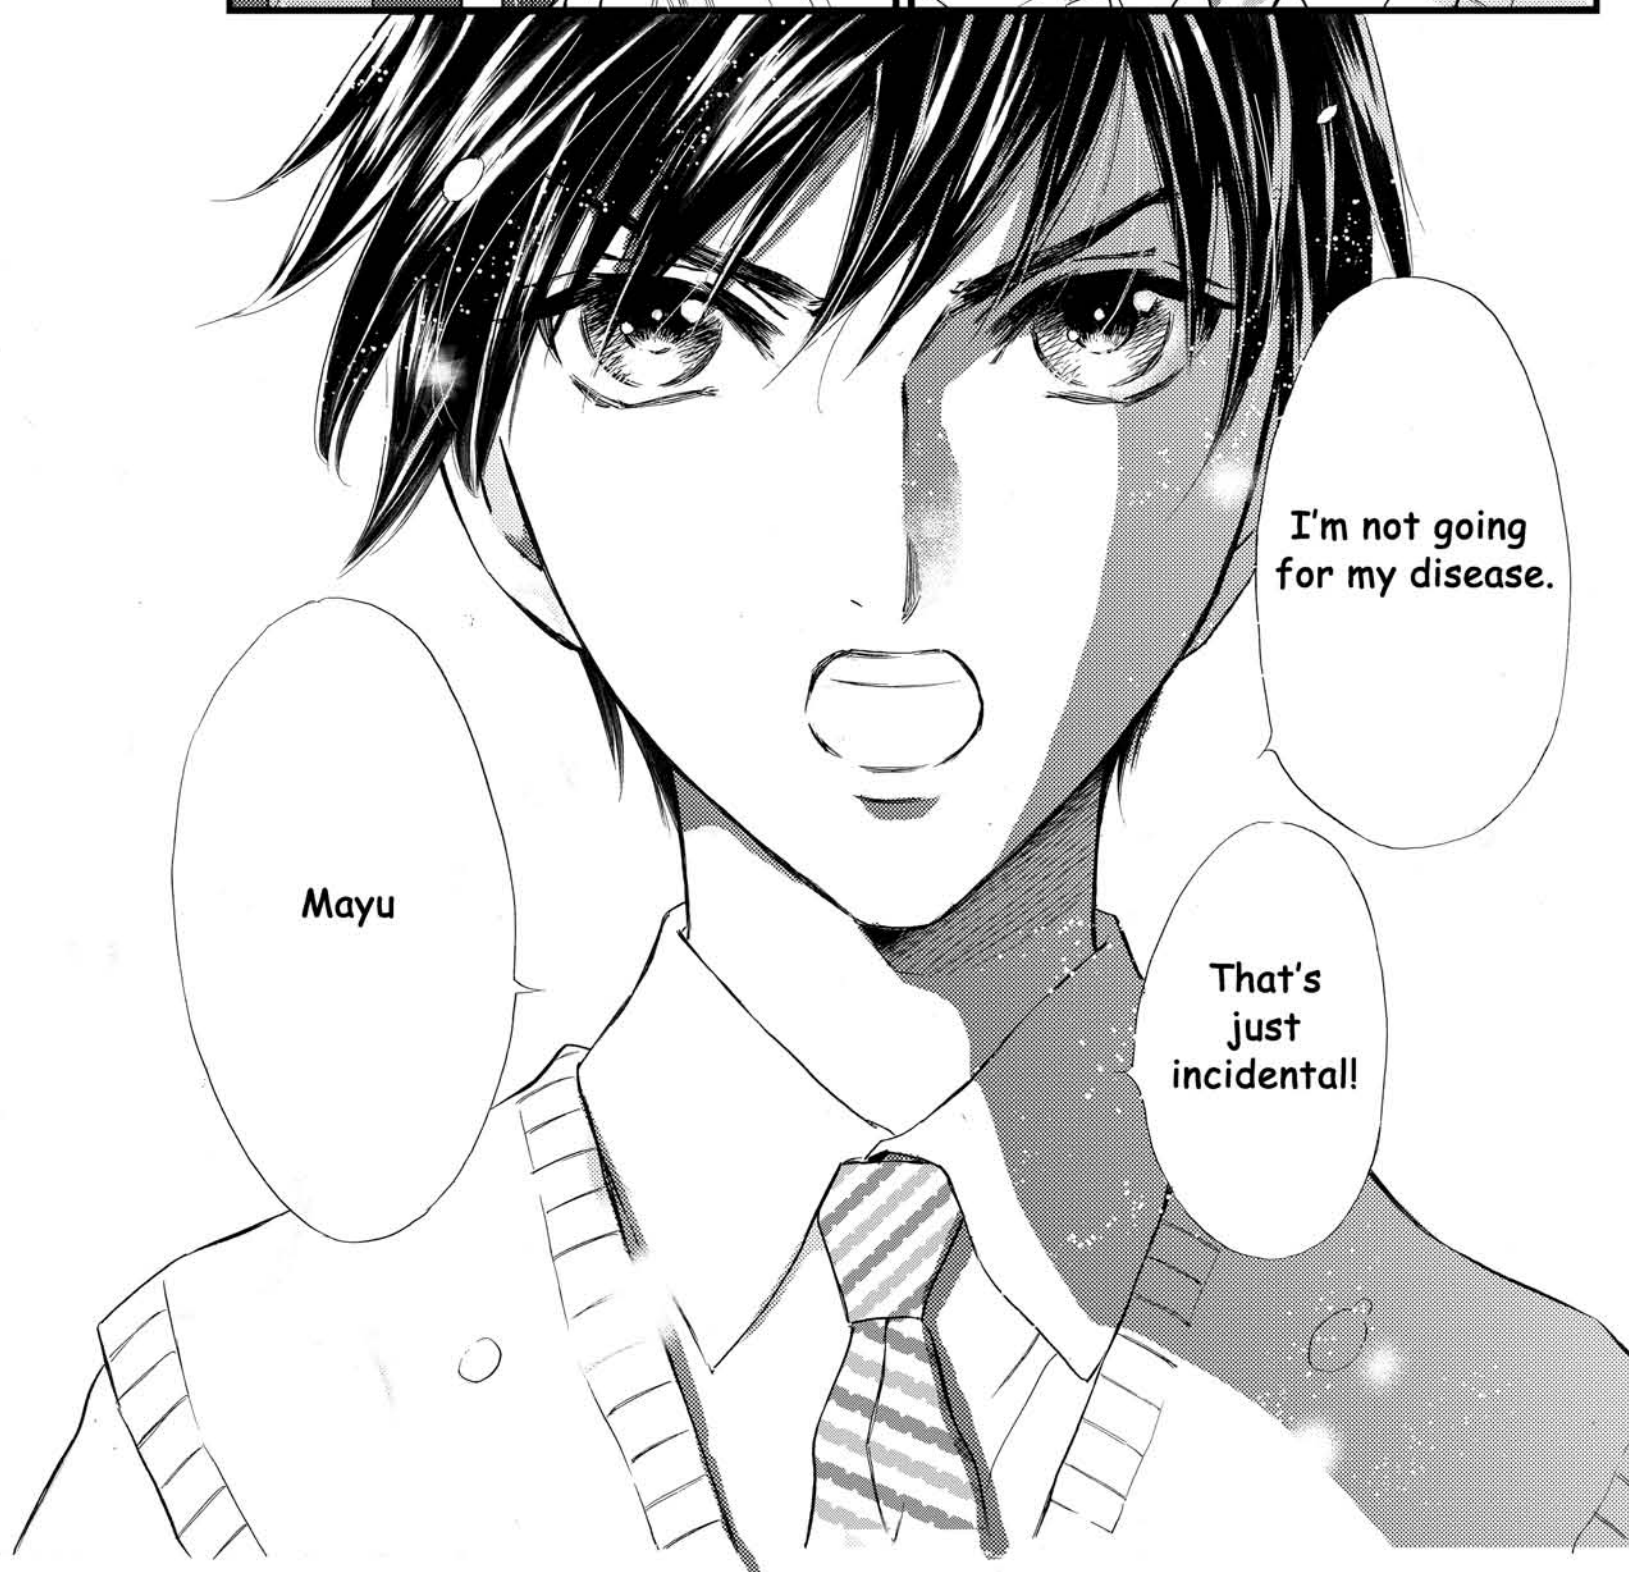

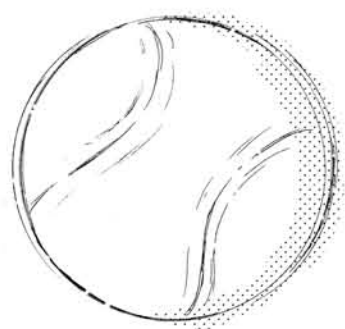

don't you
give in either!

So,

I'm going to
come back here

Let's play together
again when that
time comes!

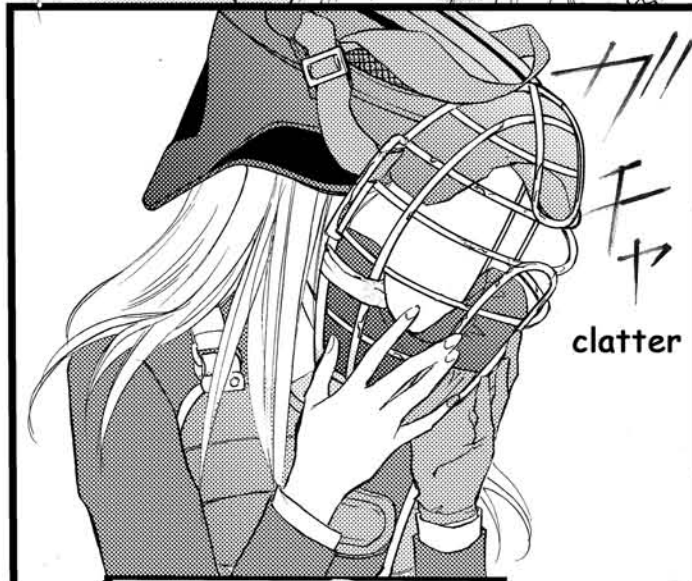

during summer
vacation and
in winter!

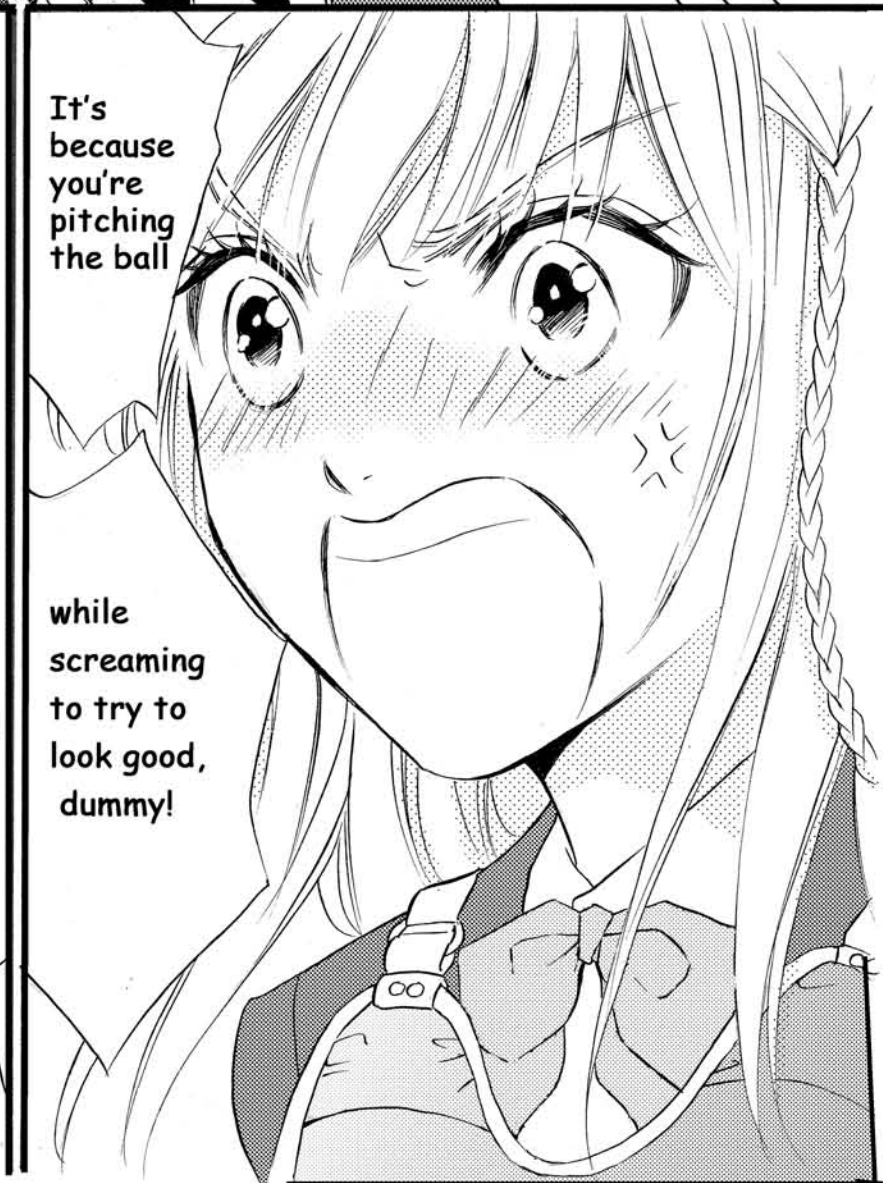

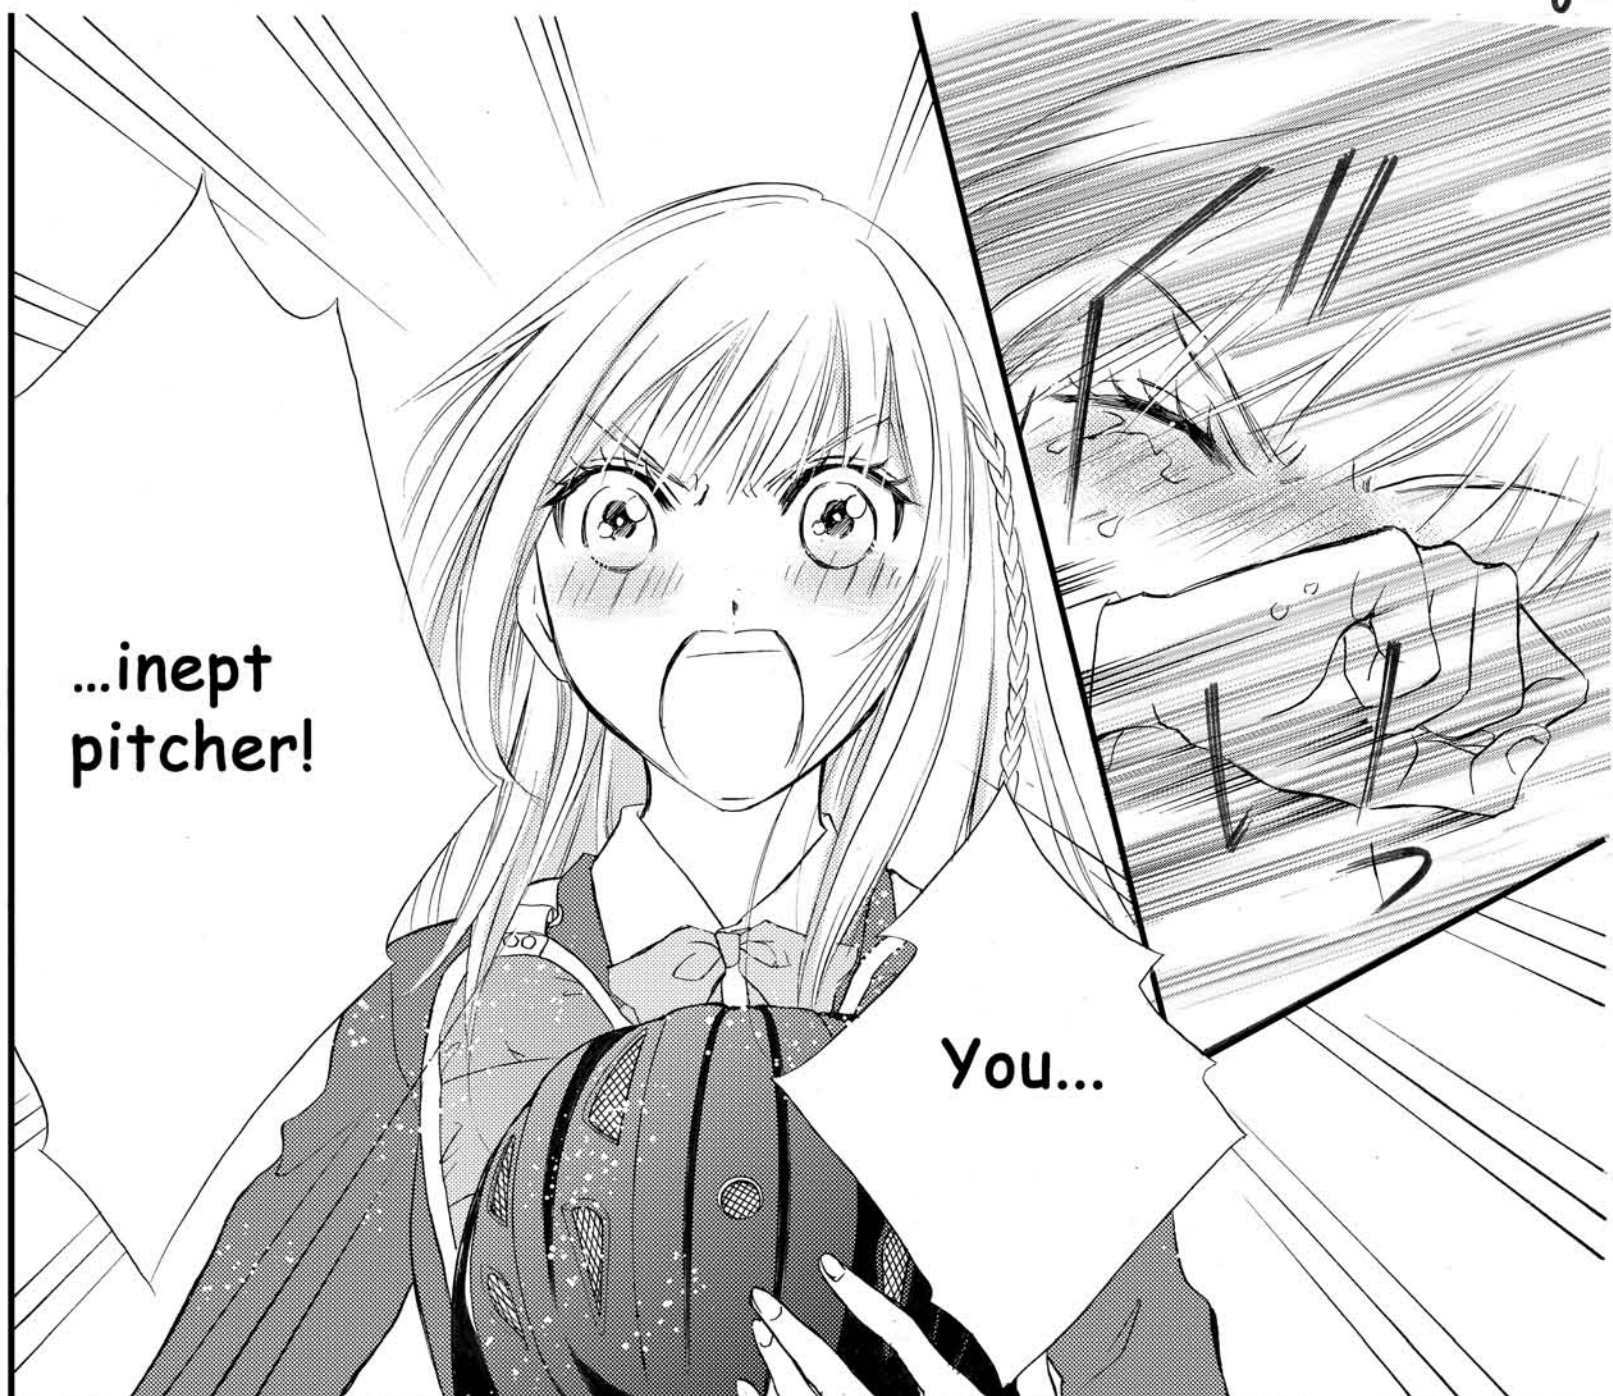

Don't you be
a slave
to anyone!

Surely,
a new season will come.

with faith
in a new season

and with our eyes open

we will walk down
the present with all our might.

I'm
changing
course!

We will walk toward a new world.
